Everything You Need to Ace World History in One Big Fat Notebook: Workman Publishing 2020-06-16 It's the revolutionary world history study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace World History - kicks off with the Paleolithic Age and takes you through to ancient civilizations—from Africa and beyond; the middle ages across the world; the Renaissance; the age of exploration and colonialism, and the modern world and the wars that shaped it. That's right, this BIG FAT NOTEBOOK® series is built on a simple and irreverent conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only one book you need for each main subject taught in middle school: Math, Science, History, English, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in colorful markers. Definitions Explained. Doodles that illuminate tricky concepts. Memes for a meaningful shortcut. And quizzes to recap it all. The BIG FAT NOTEBOOKS® meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award–winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.
