According to Mary Magdalene-Marianne Fredriksson 2002-12-01 Long ater the death of Christ, the apostles seek out Mary Magdalene. They have come for her memories of Jesus, as she was closest to and most loved by him. Thus begins her story: her childhood and the murder of her parents; her education and service at a brothel; her first love. Mary recounts her intimate experience with Jesus of Nazareth--of meeting this remarkable man, their all-too-human relationship, and his journey toward destiny. Later, when she realizes the apostles are intentionally altering Christ's teachings to suit their own goals, Mary struggles to spread theundistorted teachings herself, joining with her sisters who would otherwise have no place, and no voice, in the new church the apostles are creating. In sharing her own story, Mary weaves a richly textured tapestry of people, landscapes, cultures, and beliefs, and provides new insight into the role of women in the early Christian church. Marianne Fredriksson masterfully breathes new life into the figure of Mary Magdalene in this triumphal novel of the life, death, and resurrection of Jesus Christ, seen through the eyes of the woman who loved him most.

The Bible on Marriage, Divorce and Remarriage-Haley Trimmer 2011-05 Marriage is under attack! ... of course, this might be a shock to you if you weren't living in a culture in which 40 percent of people think marriage is a useless tradition--even with all the evidence that broken families are ravaged financially, physically, and emotionally by divorce. Yet God's Word is clear that this institution, created at the beginning of time, is the foundation of a healthy family and nation. Ultimately, marriage is God's idea. So what are believers to do in an age of rapid-fire marriages, rampant divorce, and tricky remarriages--individually and as a church? Pastor Doug Batchelor tackles these sensitive issues with tact and Bible clarity in an effort to help broken marriages mend, keep strong marriages together, and enable those dealing with divorce and remarriage to keep their lives in a biblical framework. Sure, perhaps it's a little strange that a person named "Batchelor" has written a book about marriage, but if you're struggling through a troubled marriage and divorce, you don't want to skip this counsel.

The Richest Caveman-Doug Batchelor 1990 As the teenage son of a millionaire father and a show-business mother, Doug Batchelor had everything money could buy--everything but happiness. He used drugs, fought at school, and entertained suicidal fantasies. Disgusted with himself and convinced that life held no purpose, Doug was determined to grab all the fun and excitement he could find. Before his search ended, a cave in the hills above Palm Springs became his home. And although his father owned a yacht, a lear jet, and an airline, Doug would eventually scavenge for food in garbage bins. The happiness Doug wanted eluded him until the day he began reading the dust-covered Bible a fellow "searcher" had left behind in his cave. What happened next can only be described as a miracle.

Sitting next to him is an eighty-four-year-old pathologist named Thomas Harvey, who performed the autopsy on Einstein in 1955 -- then simply removed the brain and took it home. And kept it for over forty years. On a cold February day, the two men and the brain leave New Jersey and light out on I-70 for sunny California, where Einstein's perplexed granddaughter, Evelyn, awaits. And riding along as the imaginary fourth passenger is Einstein himself, an id-driven genius, the original galactic slacker with his head in the stars. Hope in the Dark-Craig Groeschel 2018-08-21 "I want to believe, I want to have hope, but..." Pastor and bestselling author Craig Groeschel hears these words often and has asked them himself. We want to know God, feel his presence, and trust that he hears our prayers, but in the midst of great pain, we may wonder if he really cares about us. Even when we have both hope and hurt, sometimes it's the hurt that shouts the loudest. Can God be good when life is not? In Hope in the Dark, Groeschel explores the story of the father who brought his demon-possessed son to Jesus, saying, "I believe! Help my unbelief!" In the man's sincere plea, Jesus heard the tension in the man's battle-scarred heart. He healed not only the boy but the father too, driving out the hopelessness that had overtaken him. He can do the same for us today. As Groeschel shares his pain surrounding the current health challenges of his daughter, he acknowledges the questions we may ask in our own deepest pain: "Where was God when I was being abused?" "Why was my child born with a disability?" "Why did the cancer come back?" "Why are all my friends married and I'm alone?" He invites us to wrestle with such questions as we ask God to honor our faith and heal our unbelief. In the middle of your profound pain, you long for authentic words of understanding and hope. You long to know that even in overwhelming reality, you can still believe that God is good. Rediscover a faith in the character, power, and presence of God. Even in the questions. Even now.
