He Speaks to Me-Priscilla C. Shirer 2007-05-01 "When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him." Are you longing to hear God's voice, but feeling disconnected? God wants to speak directly to each of His beloved children, not to just a few "spiritual elite." Priscilla Shirer looks at God's call to Samuel and uncovers six characteristics essential for hearing from God: A simple RELATIONSHIP, unfettered by sin or pride A single-minded WORSHIP, focused on God and His glory A set-apart HOLINESS, determined to live a life that honors Him A still ATTENTIVENESS, willing to be silent before Him A sold-out HUNGER, passionately pursuing God's presence A servant SPIRIT, submitted to God's call Her warmth and honesty, combined with a wealth of practical help, will inspire you to cultivate these traits in your own life. By doing so, you will prepare yourself to draw closer to Him and to hear His voice more clearly.

Life Interrupted-Priscilla Shirer 2011-03-01 From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a

Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .

One in a Million-Priscilla Shirer 2010-03-01 The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In One in a Million, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you're on to him and that you won't back down. Each chapter exposes the enemy's cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can post and pray over yourself and your loved ones on a regular basis. Men on Fire-Stephen Mansfield 2020-06-02 Men are in crisis. From every direction, they are presented with a deformed masculinity. One that sees women as conquests rather than partners. One that values success at work over success at home. One that hinders true and open friendships with other men who hold them up and hold them accountable. One that presents them as either the bumbling, disconnected dad in sitcoms or the predator in movies and video games (and the news). Men were made for more than this. It's time to rekindle the fire living inside of them and awaken them to the value of valiant, righteous manhood. Through inspiring stories and hard-hitting biblical truths, Stephen Mansfield uncovers the seven fires that ought to burn in a man's soul--the fires of destiny, heritage, friendship, love, battle, legacy, and God. This raw guide to the restoration of a noble, honorable manhood will challenge men of every generation to live well, invest in others, and leave a powerful legacy. "Being a man isn't about the illusions mass media presents to us as the way we all should live our lives. Stephen Mansfield is going to make this clear . . . and he's going to call you to be the man you are meant to be."--from the foreword by Scott Hamilton, four-time national and world champion and Olympic gold medalist "A brilliant and absolutely essential book! Mansfield's prose cuts through the cultural darkness like a lighthouse shining across a storm-tossed sea."--Brad Thor, #1 New York Times bestselling author "My friend Dr. Stephen Mansfield's new book, Men on Fire, takes us back to the kind of timeless knowledge, wisdom, and truth that have served as a guide for countless generations of men throughout history. It will inspire you to awaken that age-old drive and restore that inner voice that says, 'I can do this. Thank God for another chance.'"--Darrell Green, member of the Pro Football Hall of Fame and the NFL 100 All-Time Team "There is a war on masculinity today, one that is leaving males with neither the knowledge nor the drive to become men. Seductive sirens of secular socialism lure them into settling to be either thugs or wimps. Men on Fire is both the roadmap and the antidote. For all of our sakes, place this book in the hands of the men you most care about."--Rabbi Daniel Lapin, author, TV host, and president of the American Alliance of Jews and Christians
