**Confession of Faith and Minister's Manual** - Mennonite Church 1999
"Published by arrangement with Herald Press, Scottdale,
Many members, and especially ministers of the Mennonite Church have long felt the need of a book, in the English language, containing, in compact form, our confession of faith, as well as the forms for the different church services. In this little volume it is our purpose to supply this want. The Confession of Faith is the same that has been in use among our people for over two hundred and fifty years. The forms for the different services Were partly translated from the German work published In Canada, by Bish. Benjamin Eby, in 1840, and partly arranged from various manuscripts containing forms, now in use in the church, in different parts of the country. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
Dortrecht in 1632, the Shorter Catechism, Forms for Baptism, the Lord's Supper, Marriage, Ordination of Bishops and Ministers, Funeral Lessons, Texts, Etc—John Fretz Funk 1900

An Amish Minister's Manual—John Sylvanus Umble 1941

Baptism Today—Thomas F. Best 2008

Our common belonging to Christ through baptism creates a bond that transcends the historic and theological differences among the churches; and the mutual recognition of baptism has emerged as a cornerstone of the modern ecumenical movement. Yet significant differences—some threatening the search for the unity of the Church—remain. This book explores the significance of baptism for the churches, and the ecumenical movement, today. Descriptive articles explain the understanding and practice of baptism within a wide range of Christian churches and confessions; these are complemented by baptismal liturgies from many churches, examples of mutual recognition agreements, and reflections on topics such as the role of baptism in increasingly secularized societies. The volume is enhanced by survey articles by prominent liturgists, reviewing the current opportunities—and challenges—facing the churches in the area of baptism. This book will be an important resource for all who wish to explore the understanding and practice of baptism, and its role in the life of the churches and of the ecumenical movement today.

Mennonite Church Polity—Mennonite General Conference 1952

Mennonite Church Polity—Mennonite General Conference. Church Polity Committee 1944

CMC Ministerial Manual—David I. Miller 2001
How does your congregation understand church leadership? What are the shared understandings about how to work with the various levels of leadership? What are theological and ethical understandings of how to call leaders? how can leaders faithfully lead? Building upon the work A Mennonite Polity for Ministerial Leadership (1996), this resource frames the task of leadership through a missional lens in order to more fully become the church God is calling us to be. It reflects biblical roots and Anabaptist theology through contemporary expressions of best practices and shared understandings of church leadership. This is an effective tool for leadership training or church-wide discussion. 80 Pages.
and empowered a unique group of people who began as radical reformers. Although "no strings attached" refers to the women's headwear during the 1920s, which had no strings, it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building! Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope. Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully, living in a community of love, joy, and peace, and offering God's healing and hope to each other and to the world.

The Mennonite Encyclopedia - Harold S. Bender 1955
Covers the 435-year history of the faith, life, and culture of Anabaptists in Europe and Mennonites throughout the world. Presented are people, movements, and places in their relation to Mennonites. This Encyclopedia was jointly edited by historians and scholars of the Mennonite Church, the General Conference of Mennonites, and the Mennonite Brethren Church. More than 2,700 writers contributed articles. Volume V includes updates on materials in the first four volumes plus nearly 1,000 new articles edited by Cornelius J. Dyck and Dennis D. Martin.

The Mennonites - C. Henry Smith 1920

Peace, Faith, Nation - Theron F. Schlabach 2007-02-02
'Peace, Faith, Nation' tells the story of Mennonite and Amish life in nineteenth-century America -- stories of families, of churches, of communities. It tells of work and play, of moving and settling, of struggling with citizenship, of various means (including the Old Order ways) of church renewal. It is a Mennonite history but also an American history. At its heart it tells of response to the nationalist, individualistic, aggressive, and progressive spirit of America. Most Mennonites were quiet, peace-oriented, communal, and humility-
minded. Yet the American spirit beckoned -- especially as it often came through Protestant revivalism and promised religious renewal.

**Baptism, Peace and the State in the Reformed and Mennonite Traditions**-Alan P. F. Sell 2012-12-04 What are the most significant points at issue between the Reformed and Mennonite communions—Baptism, peace and church-state relations? Is there a way forward? In the hope that there may be, the contributors to this book attempt to clear the way to closer relations between Reformed and Mennonites by careful scholarly discussion of the traditionally disputed questions. The papers gathered here were presented at the second phase of the international dialogue between the World Alliance of Reformed Churches (Presbyterian and Congregational) and the Mennonite World Conference. There are Reformed and Mennonite studies of the topics, together with the responses of a philosopher of religions, a sociologist, a systematic theologian and a church historian. In the Introduction the dialogue is set in its historical and contemporary ecumenical context, and the Conclusion, drafted by the dialogue participants, has been forwarded to the two world bodies for their consideration and action. This important work will be relevant to all future scholarly research into the growing debate between Reformed and Mennonite communions.

**The Oxford History of Christian Worship**-Geoffrey Wainwright 2006 A comprehensive history of the origins and development of Christian worship, from ancient times to the present day, provides a definitive study of the evolution of Christian liturgy, theology, church history, artistic influence, and social and cultural contexts, covering such topics as Russian Orthodoxy, Women in Worship, Liturgical Music, and the Apostolic Tradition.
The Oxford Handbook of Sacramental Theology - Hans Boersma 2015-08-06 As a multi-faceted introduction to sacramental theology, the purposes of this Handbook are threefold: historical, ecumenical, and missional. The forty-four chapters are organized into the following parts five parts: Sacramental Roots in Scripture, Patristic Sacramental Theology, Medieval Sacramental Theology, From the Reformation through Today, and Philosophical and Theological Issues in Sacramental Doctrine. Contributors to this Handbook explain the diverse ways that believers have construed the sacraments, both in inspired Scripture and in the history of the Church’s practice. In Scripture and the early Church, Orthodox, Protestants, and Catholics all find evidence that the first Christian communities celebrated and taught about the sacraments in a manner that Orthodox, Protestants, and Catholics today affirm as the foundation of their own faith and practice. Thus, for those who want to understand what has been taught about the sacraments in Scripture and across the generations by the major thinkers of the various Christian traditions, this Handbook provides an introduction. As the divisions in Christian sacramental understanding and practice are certainly evident in this Handbook, it is not thereby without ecumenical and missional value. This book evidences that the story of the Christian sacraments is, despite divisions in interpretation and practice, one of tremendous hope.

The Worship Mall - Bryan D. Spinks 2011-02 Religion today is in competition with the leisure and entertainment industries. Gen Y, the postmodern generation, is open to spirituality; but most of today’s young adults have not been born into faith communities where they feel any lasting allegiance. Studies suggest that for the young, belief in God is an optional
matter, a virtual consumer choice. As a result, different trends in worship and worship styles are offered by different churches to suit lifestyles, attitudes, and personal taste.

**A Selected Bibliography of the Religious Denominations of the United States**-George Franklin Bowerman 1896

**Getting Ordination Right**-P. Steven Paulus 2019-07-18
Getting Ordination Right addresses the basic questions: What are the essential elements of ordination? How is ordination practiced in the Bible and in the church throughout its history? How should it be practiced today?

**Education Among the Mennonites of America**-John Ellsworth Hartzler 1925

**A Companion to Anabaptism and Spiritualism, 1521-1700**-John Roth 2007 This handbook of Anabaptism and Spiritualism provides an informative survey of recent scholarship on the Radical Reformation, from the 1520s to the end of the eighteenth century. Each chapter offers a narrative summary that engages current research and suggests directions for future study.

**Haunts of Violence in the Church**-Howard Goeringer 2005 A critique of the "just war" doctrine first espoused by Saint Augustine and a recounting of the history of violence in the Christian Church. The author argues that war and violence are both perversions of the true teachings of Jesus Christ.

**His Name Was John**-Barbara F. Coffman 2003-08-18 Does the age produce the man, or does the man produce the age? It can be argued both ways. John S. Coffman, Mennonite evangelist, writer, and organizer, was born at a time when his church, long the quiet in the land, needed leaders to show the way to a more vital spiritual life and a
more effective Christian witness in the world. Into this vacuum of need came this dynamic man, with just exactly the qualities of character and the spiritual and natural gifts to accomplish this task. Although he died young, his years were sufficient to make a powerful impression on the church of his fathers, the church he loved and for which he poured out his life. A granddaughter has immersed herself for a number of years in the life and work and influence of this great man. She has heard the recollections of her father, S.F. Coffman, who walked in the footsteps of his father to become also a great church leader. She accumulated the reminiscences of other members of the family and of older people who knew her subject intimately. She found many primary sources of information, such as files of old letters and her grandfather's diaries. She spent time in both Virginia and Indiana to absorb atmosphere and setting for a competent biography. The author chose to use a semi fictional form for her story. All quotes from letters and diaries are verbatim. Conversation is constructed from this factual background, using a good deal of the colloquial style which she knows the principals of the story used. The result is a biography which is not only an accurate portrayal, but is also interesting reading.

Trauma and Lived Religion-
R. Ruard Ganzevoort
2018-08-11 This book focuses on the power of the ‘ordinary’, ‘everydayness’ and ‘embodiment’ as keys to exploring the intersection of trauma and the everyday reality of religion. It critically investigates traumatic experiences from a perspective of lived religion, and therefore, examines how trauma is articulated and lived in the foreground of people’s concrete, material actualities. Trauma and Lived Religion seeks to demonstrate the vital relevance between the concept of lived religion and the study of trauma, and the reciprocal relationship between the two. A central question in this volume therefore focuses on the key
dimensions of body, language, memory, testimony, and ritual. It will be of interest to academics in the fields of sociology, psychology, and religious studies with a focus on lived religion and trauma studies, across various religions and cultural contexts.

The Ministers Manual (Doran's)-James William Cox 1992

New SCM Dictionary of Liturgy and Worship-Paul F. Bradshaw 2013-04-30 This reference work incorporates the insights and expertise of leading liturgists and scholars of liturgy at work today, comprising 200 entries on important topics in the field, from vestments and offertories to ordination and divine unction. It is systematically organized and alphabetically arranged for ease of use. It also includes comprehensive bibliographies and reading lists, to bring the work fully up to date and to encourage further reading and research.

A Shared Understanding of Church Leadership-MennoMedia 2014-06 How does your congregation understand church leadership? What are the shared understandings about how to work with the various levels of leadership? What are theological and ethical understandings of how to call leaders? how can leaders faithfully lead? Building upon the work A Mennonite Polity for Ministerial Leadership (1996), this resource frames the task of leadership through a missional lens in order to more fully become the church God is calling us to be. It reflects biblical roots and Anabaptist theology through contemporary expressions of best practices and shared understandings of church leadership. This is an effective tool for leadership training or church-wide discussion. 80 Pages.

The Mennonite Encyclopedia-1955 Comprehensive reference work covering 400 years of
the history, faith, life, culture of Anabaptism-Mennonitism.
