Pilot's Operating Manual

This manual has been prepared to inform the pilot of systems and features incorporated into the Aeronca Model 7AC. When this model was manufactured a Pilot's Operating Handbook (POH) was not released. This particular handbook has been compiled utilizing published materials from similar models of the Champion, such as the USAF Series L-16A and L-16B. This manual does NOT replace the FAA approved placards and

operating limitations in a specific aircraft. If a difference exists between this manual and the FAA approved placards/operating limitations, the FAA approved placards and operating limitations shall be the authority.
