## Soon Light Mean on a Nissan

...

The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure. Your Service Engine Soon Light Should Not Cause You to Panic. The light does say service engine soon, but you may not necessarily have to make any major repairs soon. One thing you can do right away is make sure all of your fluids are topped-off. This includes your engine oil, brake fluid, windshield wiper fluid as well as transmission fluid.

Service Engine Soon Light Meaning. If the ' Service Engine Soon ' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.
