KaBOOM! is the powerful, uplifting journey of a man who grew up in a group home with his seven brothers and sisters and went on to build a world-class nonprofit that harnesses the power of community to improve the lives of children. In 1995, Darell Hammond read an article in the

Washington Post about and poorest an unthinkable neighborhoods in tragedy: Two young North America, 2,000 children suffocated barren spaces have in a car on a hot summer day in KaBOOM! and more than southeast Washington, a million volunteers DC. The story and community members indicated that the into kid-designed, children had nowhere fun, and imaginative to play; in the absence of a places to play. This playground, they had with a vision, a man climbed into an who believes that abandoned car. play is the best Reading the article natural resource in a fueled Hammond's creative economy and sense of injustice, that kids need more and his life's mission came into of it. Play is not a focus. Hammond luxury but a founded KaBOOM!, a necessity for their national nonprofit lives. Through hard that provides work, commitment, and communities with the conviction that tools, resources, and environment is the guidance to build and fundamental right of renovate playgrounds all children, Hammond and playspaces. In built an organization some of the toughest that has touched the

lives of countless children and families. Hammond's story demonstrates how one idealist can change the world and how small, civic-minded steps create a ripple effect that can transform communities and eventually the world at large.
