The Echo Show has allowed struggling with a mild identity crisis. Until now, it's been easy to write it off as "An Echo with a screen," even though new models in different sizes have appeared over the last couple of years. But the company hasn't taken a big leap forward with the third-generation Echo Show 10. Its fresh design, and the manufacturing company's continued focus on improving the overall user experience has made the smart speaker feel fresh, and differentiate itself in a crowded field. The first thing you'll notice about the Echo Show 10 (3rd Gen) is its new design. The 10-inch HD screen is attached to a bezel that looks
