Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Popular Science

This compendium of everything that's new in cars and trucks is packed with feedback from Canadian drivers, insider tips, internal service bulletins, and confidential memos to help the consumer select what's safe, reliable, and fuel-frugal.

Kiplinger's Personal Finance

Steers buyers through the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. "Dr. Phil," along with George Iry and the Editors of the Automobile Protection Association, pull no punches.

*Honda Accord Owners Workshop Manual*

This astonishing journey into the belly of one of our most important industries, a portrait of the energy and ingenuity of America at work, follows the 1996 Ford Taurus from its conception to its public debut.
