Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Annual Handbook of Product Design

Marking the 50th anniversary of an icon of American industry, this book celebrates a half-century of Bobcat with brilliant images of these quintessentially American machines at work, including historical photographs and diagrams, alongside the full story of the only compact machines that have ever mattered. Often imitated but never equaled, the Bobcat skid-steer loader was born when some hardy souls in the Northern Plains needed a new way to get work done. The pictures in these pages show how the Bobcat loader has been moving American industry ever since, joined over the years by Bobcat excavators and trenchers, utility trucks and more.

Bobcat Fifty Years chronicles the changes and innovations that have kept the company at the forefront of the nation's compact machinery makers--from the invention of the Bob-Tach quick-change attachment system to the introduction of the Big Bob, the Mini-Bob, and the M-700, the first hydrostatic loader of its size.

Here, again and again, is evidence of why Fortune Magazine named the Bobcat one of "America's best"--one of the 100 American-made products that represent the best of their kind, anywhere in the world.
