Buying Guide Saint
Martin's Griffin
In a bold bid to enter the
prestigious luxury car
market, Toyota launched
its Lexus marque in 1989

with the LS400.
Impeccable attention to
detail, advanced
engineering, sourcing of
first quality materials
from around the world
and meticulous build
quality ensured that cars
wearing the Lexus badge
could compete directly
with the established
products of Mercedes-
Benz, BMW and Jaguar.
Motoring journalists
around the world were
quick to confirm the

inherent quality of the
Lexus, allowing the new
marque to become
established amazingly
quickly and to make
serious inroads into the
sales territories of other
prestige brands. This
book covers the complete
year-by-year
development of the Lexus
line, including the
equivalent models in
Japan. Written by an
acknowledged Toyota
expert with the full co-

operation of the company and its many subsidiaries worldwide, this is the definitive history of the marque.

Annual Report

Buying a car can be a smart
idea - a car loses the lion's
share of its value when it is
driven off the new car lot, so
why let someone else take that
loss? But buyer beware: A
used car is likely to need more
repairs and may come with a
short warranty or none at all. In
addition, used cars may lack
the latest safety features. That
is why it is so important for
consumers to do extensive
research so they can avoid all
of the potential pitfalls of
buying a used car. The auto
experts at "Consumer Reports"
have done the work for you

and have compiled their extensive research and report their findings into the 2007 edition of USED CAR BUYING GUIDE. This fabulous tool will help steer any consumer who is in the market for a used car towards the better-performing and more reliable used car models and away from those models with a troubled past or substandard performance. Before consumers set foot on a used car lot, they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to

make an educated choice. "Consumer Reports" knows cars and offers the most detailed and revealing used car reliability information available anywhere including: - Unbiased reviews of every major model from 1999 - 2006- Lists of the best and worst used vehicles and how to avoid a lemon - A checklist of what to look for when inspecting a used car- Best used cars for gas mileage- Tips on negotiating the best price-Reliability, recalls and crash test information- Making sense of safety information -How to get the most money when trading in your current

car The majority of this book is devoted to the profiles of 264 cars, minivans, SUVs and trucks, presenting all major 1999-2006 models. Each profile contains a photo from the representative year, a write-up of the vehicle, reliability history, crash-test data, and the model years when key safety gear was added and when a major redesign was made. *Popular Science* Singapore's best homegrown car magazine, with an editorial dream team driving it. We fuel the need for speed! Autocar Complete step-by-step repair and

maintenance information, 700+ photos, and wiring diagrams all based on a full disassembly and reassembly of the vehicle.
