On Love Quotes Independently Published Without love, we will be dead. Read on. Psychology Today says that "babies who are not held and nuzzled and hugged enough will literally stop growing- and if the situation lasts long enough, even if they are receiving proper nutrition - die" Isn't that fascinating? What's truly fascinating is the perception that we, people have on "love" today. Love is not just sex, even though it might involve that. Think about it for a second. Do we live in a world right now that cares and loves openly or does the fear of judgement from people immobilize many warm-hearted people? Sugar when not used, becomes fats. Energy when not used, dies out. Love when not used, diminishes. This book is not so much about the "studies" and "researches" done on

love. This book is a shortcut. It is the wisest quotes said by men and women on this ambiguous, seemingly esoteric term called "love."
