Mustang is the  
story of  
Samson, a

mustang that  
was plucked  
from his  
mountainous  
Nevada home  
and thrown  
into the

he was  
brutalized and

After years of

Through the

issues. The art of working with damaged horses is demystified. Though his story is sad, the reader is asked to respect Samson—not pity him. He has good and bad days, and he has a dark side. Like all of us, Samson is far from perfect. And his saga will move the reader to both tears and laughter. Part history lesson, part training manual, and part animal

narrative, Samson's is a story that all readers will be able to relate to: a story of survival, of trust, and ultimately, finding love. 1965 Comet, Falcon, Fairlane and Mustang Shop Manual Complete Book If you have a small-block Ford, then you need this book!
