*The novels of Le Sage and Charles Johnstone. To which are prefixed, memoirs of the lives of the authors [by sir W. Scott].* Copyright Office, Library of Congress  
Since the Roman de la Rose had tremendous influence on the poetry of the fourteenth century, particularly on the works of Deschamps, Machaut, Froissart, and Chaucer, Professor Fleming maintains that it is important for the modern reader to understand what this influential moral satire meant to readers of the medieval period. Basing his interpretation in part on iconographic analysis of the illuminations found in more than one hundred manuscript copies of the poem, he advances a "medieval" reading of the poem. Other tools used by Mr. Fleming to get at the meaning of the poem include a study of the mythographic tradition, a logical and rhetorical analysis of the text, and an examination of formal exegetical documents of the late Middle Ages, especially the Old French commentary on the *Echecs Amoureux*. Originally published in 1969. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Includes Part 1, Number 1 & 2: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - December)

*"An" Old Testament Commentary for English Readers: Deuteronomy, Joshua, Judges, Ruth, Samuel.* 1897 Delacorte Press

An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time.

Roman de la Rose Good Press

The complex moral ambiguities of seduction and revenge make *Les Liaisons dangereuses* (1782) one of the most scandalous and controversial novels in European literature. The subject of major film and stage adaptations, the novel's prime movers, the Vicomte de Valmont and the Marquise de Merteuil, form an unholy alliance and turn seduction into a game - a game which they must win. This new translation gives Laclos a modern voice, and readers will be able a judge whether the novel is as 'diabolical' and 'infamous' as its critics have claimed, or whether it has much to tell us about the kind of world we ourselves live in. David Coward's introduction explodes myths about Laclos's own life and puts the book in its literary and cultural context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Kiplinger's Personal Finance David R. Godine Publisher

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

Evaluates the latest models of American and imported cars, discussing strong and weak points of each model, fuel economy, cargo space, and other details Works

THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES • Everyone is talking about *A Good Girl's Guide to Murder!* With shades of *Serial* and *Making a Murderer* this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent... and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood!* "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author

Annotation This collection presents English translations of eight of the comedies Holberg wrote for the Lille Grønnegade Theatre in Copenhagen in the 1720s.

Life, a User's Manual

The kingdom of France, a byword for upheaval and instability for a century before 1660, was transformed over the subsequent generation into the greatest power in Europe and an institutional model admired and imitated almost everywhere. A further century elapsed before this hegemony was challenged, and even then the collapse of monarchy in 1788 took most people by surprise. This book, bringing together an authoritative international panel of historians, portrays and analyses the life of France between two revolutions, a time later known as the old regime. All aspects of French life are covered: the economy, social development, religion and culture, French activity overseas, and not least politics and public life, where our understanding has been completely renewed over recent years. A detailed chronology and full bibliography complete this compelling analysis of an age behind whose calm and assured facade forces were developing which were to shape a very different country and continent.
