Sophie's World Collins Reference

A classic reference book that has been used by millions all over the world, Roget ' s International Thesaurus is the product of more than a century and a half of continual expansion, reorganization, and improvement. Today this book is not only the most time-tested and bestselling thesaurus ever, but, newly revised, it is also the most up-to-date and comprehensive reflection of the English language as it is currently used. The revolutionary achievement of Dr. Peter Mark Roget ' s first edition in 1852 was the development of a brand-new principle: the arrangement of words and phrases according to their meanings. Dr. Roget ' s system brings together in one place all the terms associated with a single thought or concept; it allows a wide-ranging survey of language within a book of relatively modest size, without the space-consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with A-to-Z entries. This brilliant organization makes Roget ' s International Thesaurus both the most efficient word finder and a cutting-edge aid in stimulating thought, organizing ideas, and writing and speaking more clearly and effectively. This revised and updated seventh edition features thousands of new words and phrases, including the newest slang words and expressions that color and inform everyday language. At the same time, it retains all the hallmarks that have made Roget ' s International Thesaurus the most popular word reference book next to the dictionary.

Beyond the Black Door is a young adult dark fantasy about unlocking the mysteries around and within us—no matter the cost... Everyone has a soul. Some are beautiful gardens, others are frightening dungeons. Soulwalkers—like Kamai and her mother—can journey into other people's souls while they sleep. But no matter where Kamai visits, she sees the black door. It follows her into every soul, and her mother has told her to never, ever open it. When Kamai touches the door, it is warm and beating, like it has a pulse. When she puts her ear to it, she hears her own name whispered from the other side. And when tragedy strikes, Kamai does the unthinkable: she opens the door. A.M. Strickland's imaginative dark fantasy features court intrigue and romance, a main character coming to terms with her asexuality, and twists and turns as a seductive mystery unfolds that endangers not just Kamai's own soul, but the entire kingdom ... An Imprint Book "I couldn't put down this deliciously dark dream of a fantasy." —New York Times bestselling author Lisa Maxwell "A dark delight, gorgeously written and as twisty and enigmatic as a labyrinth at twilight. “Like man, woman is a human being.” When The Second Sex was first published in Paris in 1949—groundbreaking, risqué, brilliantly written and strikingly modern—it provoked both outrage and inspiration. The Independent Woman contains three key chapters of Beauvoir's masterwork, which illuminate the feminine condition and identify practical social reforms for gender equality. It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.
