Recently appointed as the new U. S.
Poet Laureate, Ted Kooser has been
writing and publishing poetry for more
than forty years. In the pages of *The
Poetry Home Repair Manual*, Kooser
brings those decades of experience to
bear. Here are tools and insights, the
instructions (and warnings against

instructions) that poets—aspiring or
practicing—can use to hone their craft,
perhaps into art. Using examples from
his own rich literary oeuvre and from the
work of a number of successful
contemporary poets, the author schools
us in the critical relationship between
poet and reader, which is fundamental
to what Kooser believes is poetry's
ultimate purpose: to reach other people
and touch their hearts. Much more than
a guidebook to writing and revising
poems, this manual has all the comforts
and merits of a long and enlightening
conversation with a wise and patient old
friend—a friend who is willing to share
everything he's learned about the art
he's spent a lifetime learning to

execute so well.
