The Epistles & the Book of Revelation. This volume is the third of three on the New Testament. An unusually large volume, it covers most of the Book of Acts, the New Testament epistles, and the Book of Revelation. We read of Saul's conversion and then follow him as the Apostle Paul as he takes his five major journeys throughout the Mediterranean area. The book of Acts provides the historical context to his journeys. Along the way, we read his teachings in his 14 marvelous epistles to early Church members. Eventually, we follow Paul to Rome where he was martyred for the cause of Christ. This volume also covers the epistles of James, Peter, John, and Jude. And finally, we read the Book of Revelation John's apocalyptic messages written while he was on the Isle of Patmos. The cover features a classic painting of "St. Paul at His Writing Desk," painted by Rembrandt in 1692.

In the Old Testament, the prophet would guide the king, therefore the people, by speaking the will of God, and many times the will of God will include correction, judgment and warnings. Prophets were often ignored in the Old Testament, while even back in those days among the true prophets you found many speaking deceptions and lies. Today, nothing has changed, because God does not change (Hebrews 13:8). Prophets are still called to lead the corporate church by speaking and declaring the will, the purpose and the mandate of God. What the prophet utters may contain correction or judgment, or it may speak of encouragement, direction or wisdom. Prophets still speak to nations, or even to a multitude of nations, declaring the will of God not just unto the Church but unto secular leaders as to warn, to guide, to direct and to declare the heart and mind of God. Thus from the old to the new, nothing has changed in regard to the prophet. Ye the office is often misunderstood, and also shrouded in mystery, erroneous perceptions and terrible abuse.

With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. Timothy and Kathy Keller will show you a portrait of marriage as it's meant to be according to the Bible...by first throwing out most of what we've been taught about love. But all of these modern-day assumptions miss what marriage is really about. In this six-session video-based Bible study (DVD/digital video sold separately), Timothy Keller, along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither

"Designed to spiritually guide anyone who wants more than just a surface reading of the Bible, these 52 weekly studies emphasize personal application and have been written to draw readers directly into God's Word ... in order to love Him more. In this roll-your-sleeves-up look at Scripture, each of the studies begins with a short reflection tied to the present day, providing a springboard into the various passages presented from the Old and New Testaments. Then, in a refreshing departure from the typical bible studies in the marketplace, the author doesn't explain what the passage means or offer support on what she feels God is trying to say from Scripture. Instead, Lotz asks dozens of questions in each study, prompting readers to personally dig into Scripture and discover God's specific message for themselves. "

This seven-study guide will excite Christians about the gospel, and apply it to every aspect of their lives.
