C. H. Spurgeon writes, "Only God can justify the ungodly, but He can do it to perfection. He casts our sins behind His back; He blots them out. He says that though they be sought for, they shall not be found." In an age of limited travel and isolated nations, C.H. Spurgeon preached to over 10,000,000 people in person—sometimes up to 10 times per week. It is in this classic work that Spurgeon most clearly present the message of salvation—man's ultimate need and God's unique provision—both simply and sincerely, for honest seekers and zealous witnesses alike.

A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (Christianity Today) and the "C.S. Lewis for the 21st century" (Newsweek).

Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the

reason for God.

Life Management for Busy Women Growth and Study Guide Faith's Checkbook In the Old Testament, the prophet would guide the king, therefore the people, by speaking the will of God, and many times the will of God will include correction, judgment and warnings. Prophets were often ignored in the Old Testament, while even back in those days among the true prophets you found many speaking deceptions and lies. Today, nothing has changed, because God does not change (Hebrews 13:8). Prophets are still called to lead the corporate church by speaking and declaring the will, the purpose and the mandate of God. What the prophet utters may contain correction or judgment, or it may speak of encouragement, direction or wisdom. Prophets still speak to nations, or even to a multitude of nations, declaring the will of God not just unto the Church but unto secular leaders as to warn, to guide, to direct and to declare the heart and

mind of God. Thus from the old to the new, nothing has changed in regard to the prophet. Ye the office is often misunderstood, and also shrouded in mystery, erroneous perceptions and terrible abuse.

The Galatian church was torn between the view that their efforts saved them, and the gospel, which told them that it was Christ's work, not theirs, that mattered. The choice still confronts us today. This seven-study guide will excite Christians about the gospel, and apply it to every aspect of their lives.

This book is a timeless treasure. Ryle's writing is firm, but tenderhearted, as a loving grandfather. His style is plain and practical. His message is needed. Though J.C. Ryle (1816-1900), wrote Thoughts for Young Men over a century ago, the message applies to every generation of young men. You may think that you have very little in common with a young man of the 19th century, but you will be surprised at how relevant Ryle's admonitions and encouragements are to you today. Read, reflect, and receive godly wisdom. This edition includes the complete text of J.C. Ryle's classic, Thoughts for Young Men as well as a study guide with thought provoking questions. and have been written to draw readers directly into God ' s Word ... in order to love Him more. In this roll-your-sleeves-up look at Scripture, each of the studies begins with a short reflection tied to the present day, providing a springboard into the various passages presented from the Old and New Testaments. Then, in a refreshing departure from the typical bible studies in the marketplace, the author doesn ' t explain what the passage means or offer support on what she feels God is trying to say from Scripture. Instead, Lotz asks dozens of questions in each study, prompting readers to personally dig into Scripture and discover God ' s specific message for themselves. "
