Why the Baal Shem Tov Laughed Schocken
What do our possessions really do for us? Are all men created equal? How do I fulfill the commandment to love G-d? Is competition healthy for kids? In this profoundly inspiring collection of Torah essays, Rabbi Boruch Leff addresses these questions and more. With a practical, down-to-earth approach inspired by the author's beloved mentor, HaRav Yaakov Weinberg, zt'l, who served as rosh hayeshivah of Yeshivas Ner Yisrael in Baltimore. Originally presented through weekly e-mails and on the website aish.com, these articles run the gamut of real-life issues and challenges that every Jewish person faces today.

The Ways of the Tzaddikim Feldheim Publishers
When Sefer Talelei Oros first appeared upon the horizon of Torah Jewry, it was met with instant appreciation and popularity. Now, for the first time, this masterwork has been adapted into the English language, making it even more accessible to the general public. A veritable galaxy of Torah giants

appear on the pages of this extraordinary work. Among them are: Rabbi Yonasan Eibeschutz, the Vilna Gaon, Rabbi Yisrael Salanter, Rabbi Yeshoshua Leib Diskin, and the Chafetz Chaim, just to name a few. This is a work that expands the mind and uplifts the soul.

Light One Candle Macmillan

Whether you are studying the Bible for the first time or you're simply curious about its history and contents, you will find everything you need in this "accessible, well-written handbook to Jewish belief as set forth in the Torah" (The Jerusalem Post). George Robinson, author of the acclaimed Essential Judaism, begins by recounting the various theories of the origins of the Torah and goes on to explain its importance as the core element in Jewish belief and practice. He discusses the basics of Jewish theology and Jewish

history as they are derived from the Torah, and he outlines how the Dead Sea Scrolls and other archaeological discoveries have enhanced our understanding of the Bible. He introduces us to the vast literature of biblical commentary, chronicles the evolution of the Torah's place in the synagogue service, offers an illuminating discussion of women and the Bible, and provides a study guide as a companion for individual or group Bible study. In the book's centerpiece, Robinson summarizes all fifty-four portions that make up the Torah and gives us a brilliant distillation of two thousand years of biblical commentaries—from the rabbis of the Mishnah and the Talmud to medieval commentators such as Rashi, Maimonides, and ibn Ezra to contemporary scholars

such as Nahum Sarna, Nechama Leibowitz, Robert Alter, and Everett Fox. This extraordinary volume—which includes a listing of the Torah reading cycles, a Bible time line, glossaries of terms and biblical commentators, and a bibliography—will stand as the essential sourcebook on the Torah for years to come.

Essential Torah Bantam

This acclaimed novel imagining the life of Israeli soldier Shalom Nagar explores the legacy of the Holocaust: “A fascinating book that doesn't let you go” (Neue Deutschland, Germany). In May 1962, twenty-two men gathered in Jerusalem to decide by lot who would be Adolf Eichmann's

executioner. These men had guarded himself. When one of his friends, the former Nazi SS lieutenant Moshe, reveals his link to Eichmann, colonel during his imprisonment and Nagar is forced to reconsider trial, and with no trained executioners in Israel, it would fall everything he has ever believed to one of them to end Eichmann ' s about his past. In the tradition of life. Shalom Nagar, the only one among them who had asked not to participate, drew the short straw. Decades later, Nagar is living on the outskirts of Tel Aviv, haunted by his memory of Eichmann. He remembers watching him day and night, the way he ate, the way he slept—and the sound of the cord tensing around his neck. But as he tells and re-tells his story to anyone who will listen, he begins to doubt . Nothing is gratuitous in this book, nothing coincidental; all is intricately

interlaced.” —**Frankfurter Rundschau**, who saved Leon Leyson's life, and the lives of
Germany his mother, his father, and two of his four

Eichmann's Executioner Theater 61 Press

Follows four generations of Hauowitzes, from 1859 when the first Jewish settler, Boggy, arrives in Oklahoma's forgotten territory. Intertwined with a family of Swedish immigrants, they struggle against betrayals, nature, and burgeoning statehood, to find their families utterly transformed.

Forever His Students LSU Press

Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow, the concentration camp outside Krakow.

Ultimately, it was the generosity and cunning of one man, a man named Oskar Schindler,

his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory - a list that became world renowned: Schindler's List. This, the only memoir published by a former Schindler's List child, perfectly captures the innocence of a small boy who goes through the unthinkable. Most notable is the lack of rancour, the lack of venom, and the abundance of dignity in Mr Leyson's telling. **The Boy on the Wooden Box** is a legacy of hope, a memoir unlike anything you've ever read.

The Boy on the Wooden Box Lulu.com

Every holiday has two parts: its historical background and its laws. This unique new offering from Shmuel Blitz - especially for children - presents both. He begins by telling us the story. We'll learn the history of the Exodus

from Egypt; the heroism of the Maccabees, Chana and her seven sons; and Yehudis; the story of Rabbi Akiva and his rise from unlearned shepherd to the great sage of our people. So it is with every one of our festivals. And then - once we know the story - we learn the laws. Everything is presented simply, accurately, and clearly, in the famous Shmuel Blitz manner. With Tova Katz's beautiful illustrations, it's a treasure house of fun-filled learning. Read it to your little ones. Before long they'll know it by heart and read it to you. Bring a sparkle to your holidays with this hit from a master storyteller.

Twenty true cases where the only defense witnesses are the heart and soul.

Chelm Stories My Saba Sent Me KTAV Publishing House, Inc.

Daughter of Holocaust survivors, wife, mother, grandmother and genealogist Esther was given the opportunity to document her mothers wartime survival. In transcribing verbal testimony to book form, she has engaged deeply with historical records and studied how such awful events played out over the years of Nazi rule. The memories recorded are of a vibrant pre-war Jewish Lublin life extinguished forever and for her mother Eva, survival against all odds.

My First Book of Jewish Holidays BoD – Books on Demand

Edward Einhorn blends absurdist humor with philosophy in these critically acclaimed plays about legendary Jewish figures. *Golem Stories* retells an old Kabalistic legend. It's a ghost story and a love story, about a childlike clay

man who may be a demon inside. In *The Living Methuselah*, the oldest living man survives every disaster is human history, with the help of his wife Serach, the oldest living woman. But when a doctor tells him he will only live until the end of the play, will this be his final curtain? To find the title character of *A Shylock*, Jacob Levy interrogates every character in *The Merchant of Venice*, but oddly Hamlet may know the most—although this Hamlet is a woman. And in *One-Eyed Moses and the Churning Red Sea*, Rabbi Tzipporah Finestein dreams Moses is a pirate captain, but what do the dreams mean? Two congregants hold the key.

The Year in Drashos Kodansha USA

Is the completion of a promise made by Grandma Charlie that Casey fulfills...read it and find out some possible answers to our meager existence...how we can make a difference...how

what we do, say, even possibly think can affect others...It speaks of today issues insofar as an aspect of child abuse is concerned and gives us an example of what could happen...maybe even what should happen since Man's law can't seem to solve the problem of constant abuse of children ...385 pages

Torah Toons Feldheim Publishers

Beral's only goal is to serve loyally as Jonathan's shield bearer and protect his prince through whatever battles may come. But Jonathan needs a friend as well, a man he can trust while navigating the precarious footing of his father's court. Being that friend puts Beral's life in danger and stretches his loyalty to the breaking point. For what Jonathan wants is to do Yahweh's will, whether that be through defying his increasingly paranoid father, King Saul, or supporting the aspirations of young David,

whom Jonathan believes is the rightful heir to the throne. As he competes with David for the hand of the king's daughter, Beral struggles to hold true to his loyalties, even while he watches King Saul descend into madness. If Yahweh withdraws his protective hand, Beral and his men will be all that stand before their gathering enemies. Only one thing is certain: Beral's fate, as well as the future of Israel, is tied to the virtue of their king, and Saul's honor has long since fled.

The drasha, or traditional sermon delivered during services, is a rabbi's primary means of conveying Torah ideology and inspiration to his congregants. Many a shulgoer has recounted how, in trying

moments of life, the refrain of a rabbi's drasha echoing in his or her head has provided the fortitude and clarity to rise to life's challenges. An engaging and thought-provoking speaker, Rabbi Avraham Steinberg now turns his talents to the art of written sermonics. Rabbi Steinberg gleans nuggets from the classic commentators of old, the greats of the yeshiva world today, the illustrious Chassidic rebbes, and the giants of the Mussar movement, and then adds his own insights and modern-day applications, to fashion drashos that are at once rich in tradition as well as contemporary and pertinent. The weekly Torah portion has always been the lens through which believing Jews have viewed and understood the events of their lives.

Whether you're a rabbi or a layperson, you'll appreciate traveling through the year, parsha by parsha, enjoying the warmth and wisdom of this timeless collection.

The Thirty-third Hour Red Adept Publishing, LLC

A treasured classic on character refinement. This is a newly researched, corrected, annotated and vowelized Hebrew edition with a contemporary English translation. Discusses refining character traits and maintaining a balance in all matters.

Tell it from the Torah Xlibris Corporation

A haunting, epic Caribbean love story, reminiscent of García Márquez's *Love in the Time of Cholera*. WINNER of the 2020 Hurston/Wright Legacy Award for Fiction! "A Tall History of Sugar is a gift for grown-

up fans of fairy tales and those who love fiction that metes out hard and surprising truths. Forbes's writing combines the gale-force imagination of Margaret Atwood with the lyrical pointillism of Toni Morrison." --New York Times Book Review, Editors' Choice "A mesmerizing love story that takes place over 50 years in Jamaica." --Tayari Jones in *O, the Oprah Magazine* *A Tall History of Sugar* has been longlisted for the 2020 OCM Bocas Prize for Caribbean Literature (Fiction shortlist)! "Curdella Forbes's *A Tall History of Sugar* is the most recent in an impressive new wave of novels by Jamaican writers--from Marlon James's Booker Prize-winning *A Brief History of Seven Killings* to Kei Miller's *Augustown*, Marcia Douglas's *The Marvelous Equations*

of the Dread, and Nicole Dennis-Benn's Patsy, among others. Forbes provides an eclectic, feverish vision of Jamaican 'history' from the 1950s to the present glimpsed through the experiences of an abandoned mystic-child named Moshe, whose translucent skin and mismatched eyes defy racial category. Who he is and who he becomes--like the country itself--is a riddle that unfolds in episodic bursts and linguistic flourishes." --Vanity Fair, one of the Best Books of 2019 "An epic tale of two soulmates: Moshe Fisher, born with mismatched eyes and pale skin that bruises easily, and Arrienne Christie, 'her skin even at birth the color of the wettest molasses, with a purple tinge under the surface.' Arrienne is his protector at school--and later

his lover--but how they eventually wind up together is part of this unconventionally crafted story that spans decades, from the years before Jamaica's independence to the 2010s. Forbes' sentences are the stars here; it's a book that rewards slow, careful reading." --BuzzFeed, included in BuzzFeed's Fall 2019 Preview A Tall History of Sugar tells the story of Moshe Fisher, a man who was "born without skin," so that no one is able to tell what race he belongs to; and Arrienne Christie, his quixotic soul mate who makes it her duty in life to protect Moshe from the social and emotional consequences of his strange appearance. The narrative begins with Moshe's birth in the late 1950s, four years before Jamaica's independence from colonial

rule, and ends in the era of what Forbes calls "the fall of empire," the era of Brexit and Donald Trump. The historical trajectory layers but never overwhelms the scintillating love story as the pair fight to establish their own view of loving, against the moral force of the colonial "plantation" and its legacies that continue to affect their lives and the lives of those around them. Written in lyrical, luminous prose that spans the range of Jamaican Englishes, this remarkable story follows the couple's mysterious love affair from childhood to adulthood, from the haunted environs of rural Jamaica to the city of Kingston, and then to England--another haunted locale in Forbes's rendition. Following on the footsteps of Marlon James's debut novel, John Crow's Devil,

which Akashic Books published in 2005, we are delighted to introduce another lion of Jamaican literature with the publication of *A Tall History of Sugar*.

Jonathan's Shield KOL MENACHEM

A group of conscripted Russian Jews return from Manchuria after defeat by the Japanese to find Russia in turmoil. They decide to make Alayia to Israel only to be caught up in another war. This time the war to end all wars.

Alicia The New Press

In this book, each chapter is dedicated to a different weekly Torah reading (from the books of B'raishit and Shemot), and is composed of several levels of information, such as rabbinic Interpretation, questions to think about, etc.

Common Ground Mesorah Publications

A love story based on the mysticism of the Cabala follows Stephanie and Sidney on their exploration of the "four worlds" of Jewish mysticism.

Akashic Books

URCHIN SOCIETY: The Memoirs of a Black Panther Cub is a coming of age autobiography about the son of two former Black Panther Party members. After the indictment of the BPP 21 and the New York leadership, Alprentice David Emory Davis' father was sent to NY to represent the Party's leadership, making him responsible for BPP affiliates on the entire eastern seaboard. After the FBI successfully launched the "COINTELPRO" to eliminate Black Panther leadership, an entire nation of children became collateral damage. With a legacy including a Father who served as a point person for the Black Panther Party, and a mother that navigated her way through the unforgiving post "COINTELPRO" era, Mr. Davis takes you through his life's journey from childhood to a man.

Quest for Avoda II Liverpool University Press
The Gutnick Chumash has gained wide acclaim as one of the favorite Chumashim available today. It incorporates a flowing English translation of the Torah which is loyal to Rashi. The 'Classic questions' are drawn from a range of commentators, Midrash and Talmud, which are then ingeniously brought together in the Toras Menachem commentary. It is the first Chumash to include a commentary anthologized from the works of the Lubavitcher Rebbe. The Chumash also boasts a large sampling of inspirational Chasidic thoughts and insights into the Parsha, as well as practical lessons for our daily lives. The diagrams, charts, and illustrations all add to make this the perfect Chumash for layman or scholar. Beautifully bound in a hand-tooled leather style cover, both inside and outside are sure to

impress.
