Beral's only goal is to serve loyally as Jonathan's shield bearer and protect his prince through whatever battles may come. But Jonathan needs a friend as well, a man he can trust while navigating the precarious footing of his father's court. Being that friend puts Beral's life in danger and stretches his loyalty to the breaking point. For what Jonathan wants is to do Yahweh's will, whether that be through defying his increasingly paranoid father, King Saul, or supporting the aspirations of young David, whom Jonathan believes is the rightful heir to the throne. As he competes with David for the hand of the king's daughter, Beral struggles to hold true to his loyalties, even while he watches King Saul descend into madness. If Yahweh withdraws his protective hand, Beral and his men will be all that stand before their gathering enemies. Only one thing is certain: Beral's fate, as well as the future of Israel, is tied to the virtue of their

king, and Saul's honor has long since fled.

Many of these anecdotal stories can be used by rabbis, educators and laymen across the entire Jewish spectrum to highlight the relevance of the Torah to the modern experience.

The drasha, or traditional sermon delivered during services, is a rabbi's primary means of conveying Torah ideology and inspiration to his congregants. Many a shulgoer has recounted how, in trying moments of life, the refrain of a rabbi's drasha echoing in his or her head has provided the fortitude and clarity to rise to life's challenges. An engaging and thought-provoking speaker, Rabbi Avraham Steinberg now turns his talents to the art of written sermonics. Rabbi Steinberg gleans nuggets from the classic commentators of old, the greats of the yeshiva world today, the illustrious Chassidic rebbes, and the giants of the Mussar movement, and then adds his own insights and modern-day applications, to fashion drashos that are at once rich in tradition as well as contemporary and pertinent. The weekly Torah portion has always been the lens through which believing Jews have viewed and understood the events of their lives. Whether you're a rabbi or a layperson, you'll appreciate traveling through the year, parsha by parsha, enjoying the warmth and wisdom of this timeless collection.

Jewish tradition is rich in stories, many of which center around the lives and work of the great chasidic rabbis, known as rebbes. As a child, Sterna Citron, who descends from distinguished rabbinic families, was surrounded by these stories. Each night at bedtime, her father, the late Rabbi Eli Chaim Carlebach, a member of one of the most outstanding rabbinic families of Germany, would tell her stories. Fifty-two of these stories, many of which appear here for the first time in English, are now collected in Why the Baal Shem Tov Laughed: Fifty-two Stories about Our Great Chasidic Rabbis.

I Choose Life is the true, first person account of two Jewish youths, Sol and Goldie, who survived Nazi concentration camps and transcended despair by choosing life. The book title derives from a harrowing encounter between Sol and the Commandant in Auschwitz. The Nazi cruelly forced Sol to choose between execution by hanging or firing squad. Sol, then 19-years-old, defied him, declaring, If I have a choice, I choose life! Goldie Cukier, a 13-year-old girl, and her older sister were rounded up in a random raid in their neighborhood. An SS guard gave Goldie's father the choice of freeing only one of his two daughters. Goldie volunteered to be taken so that her sister would be spared. It was the last she would ever see her family alive. I Choose Life describes idyllic childhoods in Radom and Sosnowiec, Poland, in warm and loving families imbued with Jewish pride and values; years of darkness, suffering, separation, loss and death; raids, selections, forced labor camps, cattle cars, and death marches; and survival in Auschwitz, Mauthausen and Bergen-Belsen. Sol says, A sane person cannot imagine what it was like. For years, Sol and Goldie never shared their stories, not even with each other. Now, they have decided to tell their stories, to leave a legacy to their grandchildren, and to help ensure the Holocaust is never repeated. Sol's story is full of adventure and suspense, while Goldie's narrative draws the reader into the poignancy of a young girl's inner world as she is torn from her family by the Nazis. I Choose Life is two complete and parallel memoirs of survival and rebirth. Together, the two memoirs of I Choose Life illuminate the Holocaust experience in a unique way, offering both male and female perspectives, one told by a person of action and one by a person of feeling, to yield insights into the most monumental tragedy in human history. I Choose Life is

distinguished as a Holocaust testament, not only because it is two complete memoirs of a boy and a girl, but ultimately, because the two stories entwine as Sol and Goldie meet in a Displaced Persons camp in post-war Germany. The book explores the challenges of restoration and rebirth, how two youths regained the ability to trust and love, to rebuild new lives after unimaginable losses, and to move to another continent to start a new family and live the American dream. In one of the most peculiar and fascinating chapters of modern Jewish history, Sol and Goldie tell the story of how hundreds of Jewish concentration camp survivors from Europe found an unexpected new Zion in rural Vineland, Jersey, as a community of chicken farmers. I Choose Life is also distinguished by its reliance on historical documents. With the help of the research resources of the United States Holocaust Memorial Museum, Sol and Goldie's son Joseph was able to access original historical records which have become newly available to survivors in search of answers about themselves and family members lost in the Holocaust. These documents, some of which are reproduced in the book, enabled Joseph to verify and discover new facts and details, including the name and location of a secret V2 rocket factory, dates of prisoner transports, arrival dates at different camps, and lists of prisoners in which Sol's and Goldie's names appear. Through an emotional journey, I Choose Life describes the moving discovery of the final events and fate of Sol's father, Jacob Finkelstein, following his separation from Sol just a week before liberation in Mauthausen concentration camp. Through research by Joseph, Sol finally learned, while this book was being completed, of the existence of his father's unmarked grave in Austria. This astounding discovery gave Sol and his family emotional closure, after from 60 years of uncertain guilt that Sol carried with him since the day he and
