*Consumer Reports* Edmunds Publications Author Groene, an old Caribbean hand and longtime travel writer, sets her sights on America's own piece of the Caribbean by presenting a thorough guide to Puerto Rico and the U.S. Virgin Islands, and includes a brief excursion to the British Virgin Islands as well. 6 maps.

Ford Windstar, 1995-2001 CRC Press

From picking out the right vehicle to signing on the dotted line, this guide helps the used car or truck buyer every step of the way. Includes evaluations of cars, trucks, SUVs, and minivans. Illustrations.

**Lemon Aide Guide 2005** Cengage Learning

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to

---

affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

#### John Denver Stoddart

*McCall's R. R. Bowker*

"Game Feel" exposes "feel" as a hidden language in game design that no one has fully articulated yet. The language could be compared to the building blocks of music (time signatures, chord progressions, verse) - no matter the instruments, style or time period - these building blocks come into play. Feel and sensation are similar building blocks whe

Vehicle shoppers can benefit from the what they've come to expect from the Edmunds name: true market values for trade-ins, private party and dealership-highlighted yearly model changes, and in-depth advice.

## New Serial Titles

John Denver was America's biggest-selling solo star of the '70s. In commercial terms he was on a par with Sinatra in the '40s, Elvis in the '50s and the Beatles in the '60s. He experimented with a variety of styles and won fans from such diverse worlds as folk, pop and country music.

Beneath the often tranquil surface of his music and his clear, clean tenor voice, however, lurked a darker side to

Denver's character. The writer of 'Annie's Song', one of the most straightforward and personal expressions of love, became a wife-beater. The man who cavorted with the Muppets was an alcoholic. The committed environmentalist had his own plane, the most polluting form of transport. John Collis has delved deep to discover exactly who John Denver was. By unravelling the complexities of the singer's personality and background, he reveals Denver as a complicated, contradictory man, much more intriguing than the sometimes placid surface of his music might suggest. Millions of people around the globe found something in his music that touched their souls; Collis, by charting Denver's career and development as an artist, explores his legendary contribution not only to the world of music but also to the society of which he was a protagonist and a victim.
