"Crime fiction hasn't seen a character as scrappy, mean, and incredibly appealing as Stella in a long time. (A-)"—Entertainment Weekly on A Bad Day for Sorry Available for the first time in an e-bundle, the first four books in Sophie Littlefield’s Anthony and RT Award-winning and Edgar-nominated series featuring the unforgettable Stella Hardesty, a salty heroine who works outside of the law in rural Missouri. A BAD DAY FOR SORRY At first glance, Stella Hardesty looks like a typical housewife. Then she kills her abusive husband with a wrench

right before her fiftieth birthday. Now, she's so busy delivering justice, helping other women deal with their own abusive husbands and boyfriends, that she's barely got time to run her sewing shop. When young mother Chrissy Shaw asks Stella for help with her no-good husband, Roy Dean, it looks like an easy case until Roy Dean disappears with Chrissy's two-year-old son, Tucker. Stella quickly learns that Roy Dean was involved with some very scary men, as she tries to sort out who's hiding information and who's merely trying to kill her. It's going to take a hell of a fight to get the little boy back home to his mama, but if anyone can do it, it's Stella Hardesty. A BAD DAY FOR PRETTY When a tornado destroys the snack shack at the demolition derby track, pulling up the concrete foundation and unearthing a woman's body, the main suspect in the woman's murder is Neb Donovan--he laid the foundation, and there's some pretty hard evidence pointing to his guilt. Years ago, Neb's wife asked Stella for help getting him sober. Stella doesn't believe the gentle man could kill anyone, and she promises his frantic wife she'll look into it. A BAD DAY FOR SCANDAL When Prosper homegirl turned big-city businesswoman Priss Porter returns to town with a body in her trunk, she calls Stella Hardesty to dispose of it. Her uppity ways don't convince Stella to take the job, and Priss attempts to blackmail her with a snapshot of Stella doing what she does best: curing woman-beaters by the use of force.

"The Order Of Thieves" is a band of criminals formed with one thing in mind; to prey on the criminal underworld by way of The JUX. "The JUX" is the craft practiced by the men of The Order Of Thieves. Started by a group of Jamaicans, The Order Of Thieves created a legend in the streets that made it an honor to have this group of men relieve you of your personal wealth. No one was safe from the season of the JUX. If you were dealing in any part of the criminal world then you were fare game for The Order. From Drug dealers to politicians and even a priminister found the season of the JUX upon them. From Jamaica to New York and the Eastern Sea Board to the long arm of the law reaching even across seas for them; one thing was certain, if your wealth became a reason then nothing could protect you from the JUXINSEASON.

Report to the Structural Engineering Institute of ASCE. This report provides a better understanding of parking garage live loads and recommends an appropriate value for design. Based on a load survey conducted in nine parking garages in Chicago and Champaign-Urbana, Illinois, and Cambridge and Boston, Massachusetts, statistical analyses were carried out of the equivalent uniform distributed loads. These produce the maximum column axial loads and beam midspan moments that the building is expecting to experience during its lifetime. The dynamic amplifications resulting from vehicle motions on the decks and ramps were also investigated, and results suggest a possible reduction of the design live load from the current value of 50 psf, as stipulated in the ASCE-7 and Uniform Building Code, to 40 psf, but with no allowance for reduction according to bay area.
