The Dictionary Of Americanisms, Canadianisms, Briticisms and Australianisms is a complete, modern, and comprehensive dictionary featuring a large word list of more than 20000 entries. The purpose of this book is to provide a generous sampling of words and expressions of the various spheres of life in the USA, Great Britain, Australia and Canada during the last centuries. The dictionary also features a collection of slang and colloquial expressions in these four countries in the twentieth century. It has a clear, easy-to-use format and is ideal for students, schools, libraries, tourists and anyone who is interested in varieties of English spoken in major English-speaking countries.

The Salt Lake Mining Review
Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
