Learn how to use R to turn raw data into insight, knowledge, and understanding. This book introduces you to R, RStudio, and the tidyverse, a collection of R packages designed to work together to make data science fast, fluent, and fun. Suitable for readers with no previous programming experience, R for Data Science is designed to get you doing data

science as quickly as possible. Authors Hadley Wickham and Garrett Grolemund guide you through the steps of importing, wrangling, exploring, and modeling your data and communicating the results. You'll get a complete, big-picture understanding of the data science cycle, along with basic tools you need to manage the details. Each section of the book is paired with exercises to help you practice what you've learned along the way. You'll learn how to: Wrangle—transform your datasets into a form convenient for analysis Program—learn powerful R tools for solving data problems with greater clarity and ease Explore—examine your data, generate hypotheses, and quickly test them Model—provide a low-dimensional summary that captures true "signals" in your dataset Communicate—learn R Markdown for integrating prose, code, and results

Popular Mechanics

"Tander Phigg was an asshole, but he was also a Barnburner. Barnburners saved my life. I help them when I can. No exceptions." The job seems simple. Conway Sax, a no-nonsense auto mechanic with a knack for solving difficult problems, has never liked obnoxious blowhard Tander Phigg. But a promise is a promise. Tander's a Barnburner, a member of the unique Alcoholics Anonymous group that rescued Conway, and when a Barnburner has a problem, Conway takes care of it. Besides, all Tander wants is to get back his baby, a vintage Mercedes that's been in a shady auto shop far too long. But Conway soon discovers there's much more to the problem than Tander first let on — especially when Tander turns up dead. Conway was the last person seen with the victim, and on top of that, he has a record, making him the cops' top suspect. He must catch the killer to clear himself, but beyond that, he's a man who honors his promises, even when the guy he made them to is dead. In the tradition of Robert B. Parker and Dennis Lehane, Steve Ulfelder's crackling debut mystery features a gritty, razor-sharp new voice in crime fiction. Conway Sax isn't a hired gun or a wise-cracking urbanite. He's just a mechanic trying to make his way, a blue-collar guy whose ideas about family and loyalty are as deeply held as they are strong. He'll break your heart if you're not careful. Advance Praise for Purgatory Chasm: "Genuine characters and intense action--a serious crime novel with serious edge." — Patrick Lee, New York Times bestselling author of The Breach "Purgatory Chasm grabs you at the gate and doesn't let go, careening through a top-notch whodunit to an ending you don't see coming. A debut this good makes you wonder what Ulfelder's holding back for

the next race." — Sophie Littlefield, Edgar Award-nominated author of A Bad Day for Sorry "Holds a hot, ominous idle just until Ulfelder engages gears and hits the gas, pinning you back against the seat, hopeless to leave before the end of the ride. One of those rare debuts that leaves you immediately eager to see what is next."

--Michael Koryta, award-winning author of The Silent Hour and The Cypress House "Ulfelder's voice makes the tale as powerful and true as rocketing down the back straight at Martinsville Speedway. He's given us living proof that scars are sometimes the only legacy we can pass down from one generation to the next." -- Louise Ure, Shamus Award winning author of Liar's Anonymous

With Dickensian brilliance, Kate Atkinson creates plots peopled with unlikely heroes and villains. It's a day like any other for security chief Tracy Waterhouse, until she makes a purchase she hadn't bargained for. One moment of madness is all it takes for Tracy's humdrum world to be turned upside down, the tedium of everyday life replaced by fear and danger at every turn. Witness to Tracy's Faustian exchange in the Merrion Centre in Leeds are Tilly, an elderly actress teetering on the brink of her own disaster, and Jackson Brodie, who has returned to his home county in search of someone else's roots. All three characters learn that the past is never history and that no good deed goes unpunished.

Pennsylvania Farmer

A colorful and revealing portrait of the rise of India ' s new billionaire class in a radically unequal society India is the world ' s largest democracy, with more than one billion people and an economy expanding faster than China ' s. But the rewards of this growth have been far from evenly shared, and the country ' s top 1% now own nearly 60% of its wealth. In megacities like Mumbai, where half the population live in slums, the extraordinary riches of India ' s new dynasties echo the Vanderbilts and Rockefellers of America's Gilded Age, funneling profits from huge conglomerates into lifestyles of conspicuous consumption. James Crabtree ' s The Billionaire Raj takes readers on a personal journey to meet these reclusive billionaires, fugitive tycoons, and shadowy political power brokers. From the sky terrace of the

world ' s most expensive home to impoverished villages and mass political rallies, Crabtree dramatizes the battle between crony capitalists and economic reformers, revealing a tense struggle between equality and privilege playing out against a combustible backdrop of aspiration, class, and caste. The Billionaire Raj is a vivid account of a divided society on the cusp of transformation—and a struggle that will shape not just India ' s future, but the world ' s.
