Since 1953, the Corvette has been the quintessential, and some argue only, American sports car. Corvette Black Book is the premiere resource for enthusiasts and collectors (0-933534-47-7, 2001 Edition), packing a ton of information and taking readers on a year-by-year journey through the history of Corvette production, culminating with the 2002 model-year. For each car the author includes not only VINs, but specifications for engine blocks, heads, carburetors, alternators and distributors. Also provided are each year's base model and option prices, as well as charts of color codes. In addition, there's a brief Corvette history and a photograph for every model year.
