How to Build Max-Performance Chrysler Hemi Engines details how to extract even more horsepower out of these incredible engines. All the block options from street versus race, new to old, iron versus aluminum are presented. Full detailed coverage on the reciprocating assembly is also included. Heads play an essential role in flowing fuel and producing maximum horsepower, and therefore receive special treatment. Author Richard Nedbal explores major head types, rocker arm systems, head machining and prep, valves, springs, seats, porting quench control and much more. All the camshaft considerations are discussed as well, so you can select the best specification for your engine build. All the induction options are covered, including EFI. Aftermarket ignitions systems, high-performance oiling systems and cooling systems are also examined. How to install and set up power adders such as nitrous oxide, superchargers, and turbochargers is also examined in detail.

1996 Dodge Ram 1500-3500 Truck Shop Manual

The world of high-performance Jeeping can be a challenge. With the used Jeep market growing, new models appearing, and an aftermarket constantly offering new and better bolt-on parts and accessories, there have never been so many options for the off-road Jeep lover. Now in a new second edition, Jeep 4x4 Performance Handbook debunks the myths and eliminates the mystery of getting the most out of your Jeep through the thorough research and expertise of author and Jeep expert Jim Allen. He explains the bolt-on parts, swaps, and modifications that will give the most bang for the buck, whether you hit the trail in a CJ or a Wrangler (TJ and YJ), a Cherokee, or a Liberty, or one of the many classic and vintage Jeeps available. From bumper to bumper, this book covers it all, improving street performance and off-road toughness, towing ability and suspension, brakes and electrical systems, and the all-important safety equipment and modifications. Jeep 4x4 Performance Handbook will get you on the road and off without breaking the bank of wasting time in the garage.
