Cedar Point Tideland Trail
Simon and Schuster

This collection of interviews across the entirety of Fleetwood Mac's career features articles from many celebrated publications as well as interviews that have never previously appear in print. Edited by Sean Egan, *Fleetwood Mac On Fleetwood Mac* is a fascinating insight into an era-defining rock band. Fleetwood Mac was a triumph from the beginning - their first album was the UK's bestselling album of 1968, and their 1977 album 'Rumours' became

one of history's immortals, a true classic that remained in the charts for years and public affection forever. In the press, the ethereal Californian Stevie Nicks, the tormented rocker Lindsey Buckingham, the dignified English rose Christine McVie, the blunt-speaking John McVie, and the loquacious Mick Fleetwood have all regularly been astoundingly candid. In *Fleetwood Mac On Fleetwood Mac*, readers

will learn the Fleetwood Mac story from the band members' own mouths, and experience it contemporaneously rather than through hindsight. Editor Sean Egan is an author and journalist who has interviewed members of Fleetwood Mac, the Beach Boys, the Beatles, Led Zeppelin and many others. *Living the RV Life* John Wiley & Sons In its 114th year, Billboard remains the world's premier weekly music publication and

a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Popular Mechanics Omnibus Press Popular Science gives our readers the information and tools to improve their technology and their world. The core belief

that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
