Major Label Mastering: Professional Mastering Process distills 25 years of mastering experience at Capitol Records into practical understandings and reliable systems. Containing unparalleled insights, this book reveals the mastering tricks and techniques used by Evren G ö knar at one of the world's most notable record labels. Beginning with the requisite competencies every Mastering Engineer must develop, Major Label Mastering delves into the particulars of the mastering studio, as well as fundamental mastering tools. Included among these tools is The Five Step Mastering Process, a rigorously tested system that equips the practitioner to successfully and confidently master a project to exacting standards of audio fidelity. Covering all bases, the book discusses both macro and micro considerations: from mindset approach and connecting with clients down to detailed guidelines for processing audio, advanced methods, and audio restoration. Each chapter ends with exercises intended to deepen understanding and skill, or to supplement course study. Suitable for all levels, this is a unique resource for students, artists, and recording and Mastering Engineers alike. Major Label Mastering is supplemented by digital resources including audio examples and video tutorials.

The new edition of Toward Speaking

Excellence addresses the recent changes to the

Test of Spoken English (TSE(R)). The text

introduces readers to the format of the new

TSE(R), typical questions, and scoring criteria.

The second edition of Toward Speaking

Excellence includes actual student responses

that are used or modified to highlight specific characteristics of effective communication.

Two complete sample TSE(R)-like tests are

included for further practice. Also provided are

practice with some of the skills that, while no

longer tested on the TSE(R), are key to

sounding more native-like and fluent. Toward

Speaking Excellence may be used as an

individual study tool or as a course text. While

the material is directed toward the TSE(R) and

SPEAK(R) tests, the communication strategies

presented will prepare students for other types

of oral exams (including the TAST(R),
