Consumer Reports Used Car Buying Guide Signet

This is the only book that completely lists accurate technical data for all cars imported into the U.S. market from 1946-2000. With many imports approaching the antique status, this book will be a big seller across all

generations of car enthusiasts. From the grandiose European carriages of the late Forties to the hot, little Asian imports of the Nineties, every car to grace American roadways from across the Atlantic and Pacific is carefully referenced in this book.

Foreign car devotees will appreciate the attention given to capturing precise data on Appearance and Equipment, Vehicle I.D. Numbers, Specification Charts, Engine Data, Chassis, Technical Data, Options and Historical Information.

Collectors, restorers and car buffs will love

this key book from noted automotive authors, James Flammang and Mike Covello. **Black Enterprise** Singapore's best homegrown car magazine, with an editorial dream team driving it. We fuel the need for speed!

This volume supplies cost of living information from major cities worldwide. There are reported prices for products and services drawn from a variety of sources, including statistical reports, association databases and periodical literature.
