The Power of Words (1) AuthorHouse

As environmental destruction begins to seriously affect humans, it has become increasingly relevant to reflect on the essential elements of the Jewish and Christian theologies of creation. The essays in this volume explore key aspects of creation theology, which poses the question of the origin of the world and of man. Creation theology is rooted in the concept of man who owes his existence to God and who is placed in a cosmos which God created as "good". At the same time, the essays show that even back in antiquity, the creation discussion held high potential for ideological criticism.

Law, Magistracy, and Crime in Old Regime Paris, 1735-1789: Volume 1, The System of Criminal Justice Walter de Gruyter

The book addresses the role of the Huguenots as an international force both before and after the infamous Revocation of the Edict of Nantes in 1685 - an overlooked aspect of Early Modern soldiering. The Huguenots were of great importance internationally in armies and this book seeks to redress that scholarly imbalance by focusing on French Protestant soldiers individually and as a group. It also presents a number of thematic and biographical studies that offer a useful insight into the unique experience of one of Europe's best-known contemporary minorities and (later on) the people that gave the word 'refugee' to the English language.

Chouannerie had its origins in the rifts which opened in Breton society during the French Revolution. Mounting resistance to the Republicans led to a civil war whose bitterness was exacerbated by the involvement of outsiders; for Chouannerie offered a chance of bringing down the Republic. That was the aim of count Joseph de Puisaye; of the British government, yet again at war with the French; and of the Bourbon Princes in exile, who nevertheless feared that the insurgents in Brittany might prove too independent, and that their perfidious allies in Britain be more dangerous than useful. This carefully documented study sifts the legends and unravels the misrepresentations which have been transmitted by royalist Whites and republican Blues. This has entailed the extensive use of a mass of archival material, much of which is being systematically used for the first time.
