Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners - from

Mahatma Gandhi to Kurt Vonnegut Jr. - have written for the magazine. The Rotarian LIT Verlag Münster
As environmental destruction begins to seriously affect humans, it has become increasingly relevant to reflect on the essential elements of the Jewish and Christian theologies of creation. The essays in this volume explore key aspects of creation theology, which poses the question of the origin of the world and of man. Creation theology is rooted in the concept of man who owes his existence to

God and who is placed in a cosmos which God created as “ good ” . At the same time, the essays show that even back in antiquity, the creation discussion held high potential for ideological criticism.

A book that lists French language words and gives their equivalent in English, and English language

words with their equivalent in French. The Publishers' Circular and Booksellers' Record Routledge The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the

Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873) The Works of Thomas Moore, Esq., Accurately Printed from the Last Original Editions, with Critical Notes and a Sketch of His Life Ashgate Publishing, Ltd. This book examines the French theatricalization of India from 1770 to 1865 and how a range of plays not only represented India to the French viewing public but also staged issues within French culture including colonialism, imperialism, race, gender, and national politics. Through examining these texts and available performance history,

and incorporating historical texts and cultural theory, David Hammerback analyses these works to illustrate a complex of cultural representations: some contested Orientalism, some participated in Western colonialist discourses, while some can be placed somewhere between these two markers of ideology in Western culture and the arts. He also assesses the works which participated in shaping the theatrical face of Western hegemony, ones directly participating in Orientalism as delineated by Edward Said and others. This book will be of great interest to students and scholars in theatre, French literature, history and

cultural studies. Boyer's Royal Dictionary Abridged Random House Books for Young Readers The book addresses the role of the Huguenots as an international force both before and after the infamous Revocation of the Edict of Nantes in 1685 - an overlooked aspect of Early Modern soldiering. The Huguenots were of great importance internationally in armies and this book seeks to redress that scholarly

imbalance by focusing on French Protestant soldiers individually and as a group. It also presents a number of thematic and biographical studies that offer a useful insight into the unique experience of one of Europe's best-known contemporary minorities and (later on) the people that gave the word 'refugee' to the English language. The National union catalog, 1968-1972 Chouannerie had its origins in the rifts which opened in Breton society during the French

Revolution. Mounting resistance to the Republicans led to a civil war whose bitterness was exacerbated by the involvement of outsiders; for Chouannerie offered a chance of bringing down the Republic. That was the aim of count Joseph de Puisaye; of the British government, yet again at war with the French; and of the Bourbon Princes in exile, who nevertheless feared that the insurgents in Brittany might prove too independent, and that their perfidious allies in Britain be more dangerous than useful. This carefully documented study

sifts the legends and unravels the misrepresentations which have been transmitted by royalist Whites and republican Blues. This has entailed the extensive use of a mass of archival material, much of which is being systematically used for the first time. MLN. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • THE CHICAGO PUBLIC LIBRARY • KIRKUS REVIEWS The spectacular debut novel from the Newbery Award winning author of *When You Trap a Tiger*. This is an

uplifting story about friendship, family, and the complicated science of the heart. When Natalie ' s science teacher suggests that she enter an egg drop competition, she thinks it could be the perfect solution to all of her problems. With the prize money, she can fly her botanist mother to see the miraculous Cobalt Blue Orchids--flowers with the resilience to survive against impossible odds. Her mother has been suffering from depression, and Natalie is positive that the flowers ' magic will inspire her mom to fall in love with life again.

But she can't do it alone. Her friends step up to show her that talking about problems is like taking a plant out of a dark cupboard and exposing it to the sun. With their help, Natalie begins an unforgettable journey to discover the science of hope, love, and miracles. Chouannerie and Counter-Revolution, Part 1
