The 1934 State of the Union Address was given by the 32nd president of the United States, Franklin D. Roosevelt. It was the first State of the Union address to be given in January. Excerpt: "Now that we are definitely in the process of recovery, lines have been rightly drawn between those to whom this recovery means a return to old methods—and the number of these people is small—and those for whom recovery means a reform of many old methods, a permanent readjustment of many of our ways of thinking and therefore of many of our social and economic arrangements..."

Speak the Speech! Wipf and Stock Publishers

Excerpt from *Speeches*, Vol. 1 of 2 The following speeches, which are now for the first time brought together, are pieced in a connected and complete series from the old authority, Hansard's Parliamentary Debates. They embrace the whole of the distinguished orator's course in the House of Commons, from 1830 to the present day. Among them will be found in due chronological order, the several speeches on the Reform Bill, which brought the orator so prominently forward in the House of Commons and before the introduction of the extension of the suffrage and the principles of representation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. 21 Speeches That Shaped Our World Random House

50 Speeches that Made the Modern World Independently Published

Comprehensively updated with many new speeches including Earl Spencer's lament to "The extraordinary and irreplaceable Diana", Nikita Khrushchev's secret speech of 1956 signalling the beginning of the end of Stalinist Russia, Patrick Pearse's rousing funeral oration that fanned the flames of the Easter Rising, Kevin Rudd's historic apology to Australia's mistreated Aborigines and Barack Obama's momentous US election night victory speech. Alongside these are the finest war cries of Winston Churchill, Martin Luther King's prophetic "I have a dream" and "I've seen the promised land" speeches, the inspiring words of JFK and impassioned pleas from Nelson Mandela—the first at his trial in 1964 and the second on his election as president of South Africa in 1994. In addition are historic speeches from Elizabeth I, Charles I, Oliver Cromwell, George Washington, Napoleon Bonaparte, Abraham Lincoln, Emmeline Pankhurst, Mahatma Gandhi, Vladimir Lenin, Neville Chamberlain, Adolf Hitler, Joseph Stalin, Franklin D. Roosevelt, Charles de Gaulle, General George S. Patton, J Robert Oppenheimer, Mao Zedong, Malcolm X, Richard M. Nixon, Pope John Paul II, Vaclav Havel, Elie Wiesel, Mikhail Gorbachev and many other great historical figures. *Speeches that Changed the World* presents over 50 momentous and thought-provoking speeches from throughout history. Complete with a potted biography of each speaker, and telling the story of why each oration was significant and what happened as a result, this is a gripping history of the world told through its greatest and most impassioned speeches.

Speeches, Vol. 1 of 2 (Classic Reprint) Forgotten Books

On Friday, December 10, 2010, Vermont Senator Bernie Sanders walked on to the floor of the United States Senate and began speaking. It turned out to be a very long speech, lasting over eight and a half hours. And it hit a nerve. Millions followed the speech online until the traffic crashed the Senate server. A huge, positive grassroots response tied up the phones in the senator's offices in Vermont and Washington. President Obama reportedly held an impromptu press conference with former President Clinton to deflect media attention away from Sanders' speech. Editorials and news coverage appeared throughout the world. In his speech, Sanders blasted the agreement that President Obama struck with Republicans, which extended the Bush tax cuts for millionaires and billionaires, lowered estate tax rates for the very, very rich, and set a terrible precedent by establishing a "payroll tax holiday" diverting revenue away from the Social Security Trust Fund, threatening the fund's very future. But the speech was more than a critique of a particular piece of legislation. It was a dissection of the collapse of the American middle class and a well-researched attack on corporate greed and on public policy which, over the last several decades, has led to a huge growth in millionaires even as the United States has the highest rate of childhood poverty in the industrialized world. It was a plea for a fundamental change in national priorities, for government policy that reflects the needs of working families, and not just the wealthy and their lobbyists. Finally, Sanders' speech—published here in its entirety with a new introduction by the senator—is a call for action. It is a passionate statement informing us that the only people who will save the middle class of this country is the middle class itself, but only if it is informed, organized, and prepared to take on the enormously powerful special interests dominating Washington.

American Heritage Book of Great American Speeches for Young People Bold Type Books

In *The United States of Anonymous*, Jeff Koseff explores how the right to anonymity has shaped American values, politics, business, security, and discourse, particularly as technology has enabled people to separate their identities from their communications. Legal and political debates surrounding online privacy often focus on the Fourth Amendment's protection against unreasonable searches and seizures, overlooking the history and future of an equally powerful privacy right: the First Amendment's protection of anonymity. The *United States of Anonymous* features extensive and engaging interviews with people involved in the highest profile anonymity cases, as well as with those who have benefited from, and been harmed by, anonymous communications. Through these interviews, Koseff explores how courts have protected anonymity for decades and, likewise, how law and technology have allowed individuals to control how much, if any, identifying information is associated with their communications. From blocking laws that prevent Ku Klux Klan members from wearing masks to restraining Alabama officials from forcing the NAACP to disclose its membership lists, and to refusing companies' requests to unmask online critics, courts have recognized that anonymity is a vital part of our free speech protections. The *United States of Anonymous* weighs the tradeoffs between the right to hide identity and the harms of anonymity, concluding that we must maintain a strong, if not absolute, right to anonymous speech.

I Have a Dream Schwartz & Wade

Treating older children and adolescents who have difficulty correctly producing /r/ sounds remains an ongoing source of frustration for many clinicians. The new professional resource *Remediation of /r/ for Speech-Language Pathologists* provides the most up-to-date information on the current understanding of /r/ and the related errors, along with a range of treatment options, to offer a comprehensive tool for Speech-Language Pathologists (SLPs) treating this complex issue. In addition to a discussion of traditional articulation therapy and ways to improve the administration of this technique, this practical text offers a detailed review and explanation of several very promising alternative approaches. Written in what has been described as Dr. Flipsen's "folksy" style, this text is designed for the busy clinician. The first five chapters of *Remediation of /r/ for Speech-Language Pathologists* delve into the basic information needed to treat /r/. The next six chapters each tackle a specific treatment option. The treatment section begins with a re-examination of traditional articulation therapy and uses research evidence to help clinicians to fine-tune its application. It then progresses to discussing more significant modifications to traditional therapy and introduces several newer approaches to modifying the feedback being provided to the client. For each treatment option, the author presents a solid rationale and the latest evidence, along with practical strategies for their implementation. The final chapter discusses methods for deciding which remediation method to choose when working with /r/ errors.

The Greatest American Speeches Routledge

When First Lady Michelle Obama approached the podium at the 2016 Democratic National Convention, nobody could have predicted that her rousing and emotional "When they go low, we go high" speech would go on to become the motto for the political left and an anthem for opponents of oppression worldwide. It was a speech with the kind of emotional pull rarely heard these days, joining a long list of addresses that have made history. But what about Obama's speech made it so great? *When They Go Low, We Go High* explores the most notable speeches in history, analyzing the rhetorical tricks to uncover how the right speech at the right time can profoundly shape the world. Traveling across continents and centuries, political speechwriter Philip Collins reveals what Thomas Jefferson owes to Cicero and Pericles, who really gave the Gettysburg Address, and what Elizabeth I shares with Winston Churchill. In telling the story of great and sometimes infamous speeches—including those from Lincoln, Woodrow Wilson, JFK, Martin Luther King, Jr., Disraeli, Hitler, Elie Wiesel, Margaret Thatcher, and Barack and Michelle Obama—Collins breathes new life into words you thought you knew well, telling the story of democracy. Whether it's the inaugural addresses of presidents or the revolutionary writings of Castro, Pankhurst, and Mandela, Collins illuminates and contextualizes these moments with sensitivity and humor. *When They Go Low, We Go High* is a strong defense of the power of public speaking to propagate and protect democracy and an urgent reminder that when great men and women speak to us, their words can change the world.

Our Reason for Being Pearson Education India

Ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood. It speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way. The heart of this book is an expositional commentary that interprets *Ecclesiastes* as authoritative Scripture. It seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across. Preceding the expositional commentary is an introduction to *Ecclesiastes* that presents a new approach to outlining and reading *Ecclesiastes* as a coherent speech. It also presents an overview of the "forest"—the overall rhetorical flow of the speech from beginning to end. This is to prevent one from getting lost when immersed in the "trees" of the expositional commentary. Following the expositional commentary are two topical studies to give *Ecclesiastes* the breadth and depth of coverage it deserves. The first is an interdisciplinary exposition on the meaning of life. The second is an interpretive essay to defend

exegetically the interpretation of Ecclesiastes as a coherent speech.

The Speeches of Micah Plural Publishing

This collection gives readers a front-row seat to a pivotal moment in LGBTQ literary history with twenty-seven of the most memorable speeches from the 1990-1999 OutWrite conferences, including talks from such luminaries as Allen Ginsberg, Essex Hemphill, Patrick Califia, Dorothy Allison, and Edmund White that cover everything from racial representation to sexual politics.

[The Penguin Book of Modern Speeches](#) Nicholas Brealey

From Dr. Martin Luther King, Jr.'s daughter, Dr. Bernice A. King: "My father's dream continues to live on from generation to generation, and this beautiful and powerful illustrated edition of his world-changing "I Have a Dream" speech brings his inspiring message of freedom, equality, and peace to the youngest among us—those who will one day carry his dream forward for everyone." On August 28, 1963, on the steps of the Lincoln Memorial during the March on Washington, Martin Luther King gave one of the most powerful and memorable speeches in our nation's history. His words, paired with Caldecott Honor winner Kadir Nelson's magnificent paintings, make for a picture book certain to be treasured by children and adults alike. The themes of equality and freedom for all are not only relevant today, 50 years later, but also provide young readers with an important introduction to our nation's past.

OutWrite Harper Collins

"We've got some difficult days ahead," civil rights activist Martin Luther King, Jr., told a crowd gathered at Memphis's Clayborn Temple on April 3, 1968. "But it really doesn't matter to me now because I've been to the mountaintop. . . . And I've seen the promised land. I may not get there with you. But I want you to know tonight that we as a people will get to the promised land." These prophetic words, uttered the day before his assassination, challenged those he left behind to see that his "promised land" of racial equality became a reality; a reality to which King devoted the last twelve years of his life. These words and other are commemorated here in the only major one-volume collection of this seminal twentieth-century American prophet's writings, speeches, interviews, and autobiographical reflections. A Testament of Hope contains Martin Luther King, Jr.'s essential thoughts on nonviolence, social policy, integration, black nationalism, the ethics of love and hope, and more.

The Authority of Female Speech in Indian Goddess Traditions 21 Speeches That Shaped Our World

Presents speeches given by great Americans that inspired, provoked and changed history.

Undelivered Cornell University Press

"Let each know that for each the body, the mind and the soul have been freed to fulfill themselves." These powerful words, spoken by Nelson Mandela in his inaugural address as the new president of South Africa, are taken from just one of the forty important and thought-provoking speeches in this collection. Ranging from 1945 to the present day, they provide an important insight into the modern world. Inspirational speeches by Winston Churchill, Mikhail Gorbachev, Martin Luther King, Barack Obama and many others are supplemented with biographies of each speaker, as well as an exploration of their words' significance and an historical account of the consequences of their oratory. This is a history of the recent and contemporary world told through the speeches that shaped it.

[Great Speeches That Changed the World](#) Simon and Schuster

This definitive collection gathers the most significant speeches of the modern era, from Theodore Roosevelt and Martin Luther King Jr. to Ronald Reagan and Michelle Obama. Defined by waves of idealism and doubt, progress and destruction, the twentieth century and the first decades of the twenty-first have seen the best and worst of humanity in measures previously unimaginable. Underpinning the rise of radio, television, and the internet, the spoken word has proven ever more crucial in stirring the hearts and minds of millions around the world. In these pages, Emmeline Pankhurst agitates for the right to vote; Adolf Hitler rises to power; Fidel Castro sparks a revolution; John F. Kennedy calls Americans to action; Betty Friedan rallies for equality; and Barack Obama contemplates the meaning of America. The speeches contained in [The Penguin Book of Modern Speeches](#), some of the most extraordinary and memorable of the modern age, have established and shaped how we understand ourselves and our place in the world around us.

[I Have a Dream](#) Univ of California Press

The history of the United States has been characterized by fervent idealism, intense struggle, and radical change. And for every critical, defining moment in American history, there were those whose impassioned voices rang out, clear and true, and whose words compelled the minds and hearts of all who heard them. When Patrick Henry declared, "Give me liberty, or give me death!", when Martin Luther King Jr. said, "I have a dream", Americans listened and were profoundly affected. These speeches stand today as testaments to this great nation made up of individuals with bold ideas and unshakeable convictions. The American Heritage Book of Great American Speeches for Young People includes over 100 speeches by founding fathers, patriots, Native American and African American leaders, abolitionists, women's suffrage and labor activists, writers, athletes, and others from all walks of life, featuring inspiring and unforgettable speeches by such notable speakers as: Patrick Henry * Thomas Jefferson * Tecumseh * Frederick Douglass * Sojourner Truth * Abraham Lincoln * Susan B. Anthony * Mother Jones * Lou Gehrig * Franklin D. Roosevelt * Albert Einstein * Pearl S. Buck * Langston Hughes * John F. Kennedy * Martin Luther King Jr. These are the voices that shaped our history. They are powerful, moving, and, above all else, uniquely American.
