' Oh my gosh I don ' t know where to start, this book broke me... it will stay with me for a very long time... heartbreaking, poignant, gripping and compelling, I felt every emotion... I read this book in one sitting. ' Fiction Vixen Reads, Inspired by an incredible true story. Fans of The Tattooist of Auschwitz, We Were the Lucky Ones and The Choice will love this heartbreaking novel of love, betrayal and a secret passed down through a family. Nazi-occupied Poland, 1940. When soldiers drag Tomasz back to his family ' s farm, they put a gun to his head and tell him he must join the German army, or see his loved ones forced into the camps. Staring into the wide blue eyes of his childhood sweetheart Zofia, Tomasz does the only thing he can. Over the course of the war, he will risk his life, love and the respect of his own people, to secretly fight for good against evil. All the while, he longs to be reunited with Zofia... but will his brave choices tear them apart forever? London, present day. Isla has grown up wearing her grandfather ' s rainbow scarf, a beloved memento from the Second World War, and hearing his stories about his time as a young soldier bravely fighting the Germans to protect his people. But as she is collecting photos for his 95th birthday celebration, she finds an old photograph of two men standing in Nazi uniforms, next to a folded piece of paper... a newspaper article, written in German. She knows that name. Her grandfather is too weak to answer questions, so Isla begins her hunt for the truth. There is so much she doesn ' t know. And what she learns about a love story and a secret from seventy years ago will change her own life forever... Readers absolutely love The Rainbow: ' Wow!! Just wow!!... This book is brilliant! More than brilliant, amazing!!... Absolutely gripping, addictive and captivating... I was absolutely hooked from the first page to the last. wonder what is going to happen next. Pulls at your heart strings in all the right ways. ' Goodreads reviewer, VW Golf, GTI, Jetta and Cabrio, 1999 Thru 2002 Haynes Manuals N. America, Incorporated Few cars in modern times have caused as much of a stir as the turbocharged Subaru Impreza. It came from nowhere at the start of the 1990s to claim three successive World Rally Championships for its makers in the middle of that decade, and went on to become an enthusiasts' car thanks to its affordability, high performance - and, of course, the glorious exhaust note of its unusual flat-four 'boxer' engine. This book examines the three generations of Subaru Impreza WRX and WRX STI from 1992 - 2012, including how the roadgoing cars were developed from the successful rally models, production history and specification details. Topics covered include: History of the Impreza, and early days in competition with the Leone and the Legacy models. Construction and derivatives of the distinctive flat-four engine. Innovations in the Impreza's four-wheel-drive system. Design and specifications for special editions. Includes material from Prodrive on their limited edition models. Examines both rally and roadgoing cars.

Motor Imported Car Repair Manual Haynes Publications Professional technicians have relied on the Chilton Labor Guide estimated repair times for decades. This latest edition expands on that reliability by including technical hotline feedback and research from professional labor experts. The labor times reflect actual vehicle conditions found in the aftermarket, including rust, wear and grime. Available in both hardcover and CD-ROM, this completely revised manual provides thousands of labor times for 1981 through current year domestic and imported vehicles. All times reflect technicians' use of aftermarket tools and training.

Air Conditioning Service Manual No Starch Press Over the last 50 years, literally millions of GM cars and trucks have been built with Turbo 400 automatic transmissions. While these transmissions are respected for their durability and versatility, there always comes a point where the old transmission shows signs of wear. At some point, even the best transmissions need to be rebuilt. Respected automotive technical author Cliff Ruggles takes readers through the complex rebuild procedure of GMs most popular rear-wheel drive automatic transmission in this great new book. Enthusiasts have embraced the reliable GM Turbo Hydra-Matic 400 three-speed automatics for years, and the popularity of these transmissions is not slowing down. With his proven style, Ruggles walks through the step-by-step rebuild and performance upgrade procedures in a series of full-color photos for each of these models. Time saving tips are part of every build-up. This is a welcome addition to your automotive library. Amateurs and professionals alike will appreciate the advice and guidance offered on every page. Even if you end up deciding to have a professional take care of your transmission repair and performance needs, this information is crucial to understanding how the power gets from the engine to the road.
