Media semiotics is a valuable method of focusing on the hidden meanings within media texts. This new edition brings Understanding Media Semiotics fully up to date and is written for students of the media, of linguistics and those interested in studying the ever-changing media in more detail. Offering an in-depth guide to help students investigate and understand the media using semiotic theory, this book assumes little previous knowledge of semiotics or linguistics, avoiding jargon and explaining the issues step by step. With in-depth case studies, practical accounts and directed further reading, Understanding Media Semiotics provides students with all the tools they need to understand semiotic analysis in the context of the media. Semiotic analysis is sometimes seen as complicated and difficult to understand; Marcel Danesi shows that on the contrary it can be readily understood and can greatly enrich students' understanding of media texts, from print media right through to the internet and apps.

Think that heading out into the Colorado forest in 60 degree weather in May is totally safe? Think again. As Nico and his baby sitter Hannah quickly learn, Mother Nature can turn on a dime, and when she does, she dumps so much snow on them that they can't find their way out of what should have been a simple overnight backpacking trip. Trek along with these two as an unexpected snowstorm teaches them just how much wilderness savvy they have. It's not enough. They need more. See how their rescuer uses 21st century technology along with timeless backcountry smarts to try to find his friends. And, experience how Nico, our 12 year old hero, comes to understand that sometimes misbehaving isn't as bad as some adults make it out to be. "Stranded in a Snowstorm" features backcountry powder skiing and snowboarding, backpacking, fire-lighting, survival, rock and roll, and emergency whistles. Our heroes have to hike high, hunker low, ski and ride fast, and huddle together just to survive. Will they make it out alive? Will their twists and turns be enough to keep them from the dangers that beautiful Mother Nature brings? Will you feel like strapping a board to your feet and poking some freshies while you read this epic adventure?

Crawford's New Product Management 12e provides the management approach to teaching new products, with the perspective of marketing. Adopters of previous editions will notice that the format is slimmed down to 18 chapters. This streamlined presentation focuses on the topics that will be of most importance and interest to new product managers. Significant updates can be found throughout, and great pains have been taken to present the "best practices" of industry and relevancy to readers. Past adopters of New Products Management will notice major changes in this edition. While there are some changes in virtually every chapter, some of the most substantial changes are as follows: 1. We have made major additions and updates to the cases to provide more plentiful and more current examples. We retired several cases from the previous edition, wrote many new cases, and thoroughly updated many others. New cases for this edition include: Oculus Rift, Adidas Parley sustainable running shoes, Google Glass, Indiegogo, Tesla, Chipotle, Chick-fil-A, Corporate Social Responsibility at Starbucks, and many others. As always, we aim to offer a mix of high tech products and consumer products and services in the set of cases. 2. In addition, we have substantially updated examples throughout the text wherever possible. We try to make use of illustrative examples that will resonate with today's students wherever possible. Of course, we welcome the reader's comments and suggestions for improvement. 3. There continues to be much new research in new products, and we have tried to stay current on all of these topics. Readers will notice new or expanded coverage of portfolio

management, value curve creation, the TRIZ method, crowd-sourcing, crowdfunding, observational research, open innovation, organizational structure, 3D modeling, beta testing, sustainable product development, and frugal innovation, among other topics. 4. We continue the practice of referencing Web sites of interest throughout the text, and we have added the web addresses for several useful YouTube videos and other resources.
