and veteran drag-racing author Charles R. Morris has written the definitive book covering the members of the Ford Drag Council and Drag Team of the 1960s, perhaps the most important decade in Ford performance history. In writing Ford Drag Team, Morris performed candid, one-on-one interviews with Ford drag racing legends like Phil Bonner, Hubert Platt, Ed Terry,

Randy Payne, Al Joniec, the late Bill Lawton, Drag Team captain Dick Brannan, and more. Morris also collected factory documents and race reports and scoured the earth for photos and statistics to document the full story of these drag racing pioneers. Ford Drag Team is your opportunity to get the true story, directly from those who made the

history from behind the wheel and behind the scenes. You'll learn how this talented group of individuals from diverse backgrounds came together to make motorsports history that should never be forgotten. Grit and Go HarperCollins Australia This book takes a completely new look at the Anthroposophical Soul Calendar. It is about the deeper meaning of the fifty-two weekly verses, which has

remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner. A dense veil of Isis was spread over them, of which is well known that no mortal person can lift it. Only the immortal, psycho-spiritual human being, who knows himself at home in the extrasensory, higher worlds, is capable of doing this. Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual-cosmic realms until he

reaches the experience of God, from where he gradually descends again into a new life on Earth, enriched in spirit and fertilized in his soul. If the reader embarks on this journey, the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ. By many quotations from Rudolf Steiner's lectures and books, the author virtually lets Steiners himself elucidate the breathtaking depths

of his mysterious weekly verses.

Sales Book Of
The Year for 2015 | Forbes 15 Best Business Books of 2015 | "The chapters, (46 of them in this 256 page book) are quick and concise, and it is easy to pick it up anywhere and find a nugget of easily actionable advice,

but the kicker is that the actions he recommends are also quick and concise, so that we can accomplish them in the few bursts of spare time we all have left.” – 800CEORead.com “Follow Goldfayn's brilliant advice and you will have an endless supply of customer testimonials, spontaneous referrals, and new business, and it will compel you to buy a beautiful fountain pen and stop obsessing over social media. His advice simply works.” – Inc.com

Grow your business by 15% with these proven daily growth actions Do you have trouble finding time during your hectic day to grow your business? Is your company stalled because you are too busy reacting to customer problems? Do you lack the funds to jumpstart an effective marketing plan? The Revenue Growth Habit gives business owners, leaders, and all customer facing staff a hands-on resource for increasing revenue that is

fast, easy, and requires no financial investment. Alex Goldfayn, CEO of the Evangelist Marketing Institute, shows how to grow your organization by 15% or more in 15 minutes or less per day—without spending a penny of your money. Forget about relying on social media. Posting on Twitter, Facebook, and LinkedIn doesn't grow revenue, especially for business-to-business companies. The Revenue Growth Habit shows how to request and

collect testimonials story. There is and how to communicate these testimonials to grow your business. You will discover how to write powerful case studies, ask for (and get!) referrals, grow your lists, and send a revenue-growing newsletter. Goldfayn also includes information for teaching your customer service people how to inform your current clients about what else they can buy from you. This proven approach revolves around letting your customers tell your

nothing you can say about your products and services that is more effective than what your paying customers say. How does it work? Each day, take one quick, proactive communication action that tells someone about how they'll be improved after buying from you. Choose from the 22 actions Goldfayn details in *The Revenue Growth Habit*. Each technique is fast, simple, and free. It only requires your personal effort to

communicate the value of your product or service to someone who can buy from you. Personal communication—the key to the 22 action steps—will make your company stand head-and-shoulders above the competition. *The Billionaire's Ruthless Affair* National Geographic Books When leaders learn how to manage the emotions and drama in their organizations, conflict can be made healthier. Nate Regier uses the Drama Triangle Model and the Compassion Cycle to show leaders

how to exercise compassion, not passion, and turn the negative energy of conflict into a positive energy for increased productivity and growth. Conflict without Casualties fills a gap by showing leaders at any level how to leverage positive conflict. Practical, insightful, challenging, relevant. -Dan Pink, New York Times bestselling author Most organizations are terrified of conflict in the workplace, seeing it as a sign of trouble. But Nate Regier says conflict is really just a kind of energy and can be used in positive or

negative ways. Handled incorrectly, conflict becomes drama, which is costly to companies, teams, and relationships at all levels. Avoiding, managing, or reducing conflict is a limited alternative. Instead, Regier explores the interpersonal dynamics that perpetuate drama in organizations through a concept called the Drama Triangle and offers an alternative: the Compassion Cycle. The Compassion Cycle allows leaders to balance compassion and accountability, transforming conflict into a growth experience

that enables organizations to achieve significant gains in energy, productivity, engagement, and satisfaction in relationships. Provocative and illuminating, the concepts Regier shares will turn conflict from an experience to be avoided into a partner for positive change. *The Long Journey Home* To-do list of a billionaire playboy's secretary: 1. Filing: ensure all ex-girlfriends are kept safely out of sight. 2. Expenses: all jewelry must be received one

week from termination of relationship. 3. Diary management: there must be no clashes in his heavy dating schedule. When Harriet McKenna's own relationship goes up in smoke, her ruthless boss, Alex Katona, challenges her to take a leaf out of his book and embark on an illicit affair with him! This means being at his beck and call beyond office hours, and in return Alex promises to show Harriet how pleasurable life can be...
The

Anthroposophical Soul Calendar and the Incarnation Cycle of Man
This is the thrilling, warts-engine-oil-and-all autobiography of the only racing driver Ayrton Senna ever feared - the 200mph flawed genius of Tommy Byrne. It tells the surreal tale of a poverty-stricken Dundalk kid's rise to become the only racing driver the great Ayrton Senna ever feared - and how it all went wrong from there. For a brief moment Tommy Byrne was arguably the world's greatest driver, the motor racing equivalent of George Best and

Muhammad Ali rolled into one - A racer, a thief, a raconteur. This is the story of his improbable escape, his rapid rise and his spectacular and bizarre fall from grace. Peppered with dark humour and a cast of ridiculous characters, it is the antithesis of a fairytale - and it's all true. Hold on tight, the tale of Tommy Byrne is quite a ride - from fending for himself as the runt of a big Catholic litter in the '60s, running the gauntlet of the sectarian violence in the '70s, troubling Ayrton Senna and making it to F1 in the '80s, resorting to drugs in

the aftermath and driving for a deluded billionaire madman and then gun-toting Mexicans in the '90s. It's raw, passionate, and - with Byrne's ability to tell it like it is - not for the faint-hearted.

Ford Drag Team

The second book in the Brookfield saga, *The Long Journey Home* continues the story of Jack and Becky Parker as they strive to make a life for themselves on the frontier in early colonial Massachusetts. During a violent and turbulent era, they endure every hardship to see their family grow

and prosper ... and survive. In their unstoppable love, they will sacrifice everything to be together. From the battles of King Philip's War - the bloodiest ever fought in New England - to Jack's capture and escape and his brutal trek home through the winter wilderness to the wife and son he loves beyond measure, to a determined march to Quebec to rescue twenty-one captives, taken during a savage Indian attack, to the hard-earned happiness of prosperity, follow them as they

persevere to make their dreams come true and find the one place that is truly home.
