The Toyota Camry is a vehicle that has been manufactured by Japanese manufacturer Toyota since the year of 1982 and it has spanned many generations. It was originally made as a compact unit that have grown to accommodate a midsize classification which is the wide body size many have grown to love. The Camry is the second “ world car ” sold by Toyota after the Corolla. There have been many versions of this vehicle in the American and Japanese market but all with similar features. This book will cover the features of the 2018 Toyota Camry which will allow the reader to be informed of what is currently available from this car.
