The Best 10 DAY GREEN SMOOTHIE CLEANSE for Weight Loss The wonderful thing about The Green Smoothie Cleanse is that it just marks the beginning. It's a first step towards change for those of us who hated vegetables and weren't real big fans of fruit either. There's no better reason to moan and groan about wanting to change. There's about a hundred really healthy, life-giving, and tasty reasons to begin that change. You have to be ready to take the action associated with getting to your goal. Taking action always begins with the end in mind. The Green Smoothie Cleanse is not difficult. It doesn't entail huge amounts of self-control and boundless will power. You won't drastically reduce your food intake and starve your body of calories. You won't feel hungry, tired, and exhausted. In fact, reducing your intake until you feel deficient runs exactly counter to man's instinct to survive. Setting an individual goal will provide you a reason and help you stay on course. Before you begin, ask yourself where you want to go with this. Write it down. If you want to be healthier, be specific. Some people may want to lower their blood pressure. That's an excellent goal and The Green Smoothie Cleanse is a great way to do just that. Some people are just tired of eating junk and want to work at introducing more fruits and vegetables into their diet. That's a fantastic goal. Others remember a younger, healthier self back before their busy lifestyles necessitated endless loops through the fast food windows and they want a way out of life in "the fast (food) lane." With so many reasons to begin The Green Smoothie Cleanse, being clear about your specific goal helps you to

adequately address the challenges ahead. The good news is that this book will help you detox your body, lose weight sustainably, get back to your natural shape and have good health like a person in their twenties. Healthier Together is all about nourishing and cooking for your body and your soul--and the best way to accomplish that is with another person. Food writer and health blogger Liz Moody once followed trendy diets and ate solely for fuel, not for flavor. That changed when she met her soon-to-be-boyfriend and they started cooking nutrient- and vegetable-rich meals. She not only fell in love with food again, but she also discovered that setting goals and sticking to them is easier and more gratifying when paired with someone else. Mincing garlic and

sautéing onions together eventually led the couple to marriage--proving that good food really is the universal connector! These 100+ flavor-packed recipes are designed to be cooked and enjoyed by two people, plus they're all gluten-free, dairy-free, and plant-centered. They include homemade alternatives for all the foods you love to share, such as brunch, takeout, and sweet treats. Indulge in Cardamom Banana Bread Pancakes with Candied Coffee Walnuts, Cornflake "Fried" Chicken, General Tso's Cauliflower, and Chocolate Tahini Brownie Bites. Pick your partner--near or far--and get ready to get healthy.
