mercy, the root of all

sin is our rebellious desire to be like God in such ways—a desire that first manifested itself in the garden of Eden. In *None Like Him*, Jen Wilkin leads us on a journey to discover ten ways God is different from us—and why that’s a good thing. In the process, she highlights the joy of seeing our limited selves in relation to a limitless God, and how such a realization frees us from striving to be more than we were created to

be. *The Great Soul of Man; Or, the Soul in Its Likeness to God, Its Nature, Operations, and Everlasting State Discours’d* WaterBrook

"Through candor and comprehensiveness, Jackson writes a convincing revisionist take, in which he emerges as an excellent coach . . . highly readable . . . reflects Jackson’s polymathy." —The New York Times Book Review
"Part sports memoir, part New Age spirit quest, part pseudo-management tract . . . But the primary thing with Jackson—as with all the old bards, who were also known for

repeating themselves—is the voice." —Sam Anderson, *The New York Times Magazine* A New York Times Bestseller The inside story of one of basketball's most legendary and game-changing figures During his storied career as head coach of the Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, explored from a place of deep values. Jackson was tagged as the “Zen master” half in jest by sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players’ nature, not their egos, fear, or greed. This is the story of a preacher’s kid from North Dakota who grew up to be one of the most innovative leaders of our time. In his quest to reinvent himself, Jackson explored everything from humanistic psychology and Native American philosophy to Zen meditation. In the process, he developed a new approach to leadership based on freedom, authenticity, and selfless teamwork that turned the hypercompetitive world of professional sports on its head. In *Eleven Rings*, Jackson candidly describes how he:

- Learned the secrets of mindfulness and team chemistry while playing for the champion New

York Knicks in the leader of a their drive to win;

 rebellious teenager about fascinating and in favor of
 into a mature personalities and a slower,

simpler way of life “ As someone all too familiar with ‘ hurry sickness, ’ I desperately needed this book. ” —Scott Harrison, New York Times best-selling author of Thirst “ Who am I becoming? ” That was the nagging pastor and author John Mark Comer. Outwardly, he appeared successful. But inwardly, things weren ’ t pretty. So he turned to a trusted mentor for guidance and heard these words: “ Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life. ” It wasn ’ t the response he expected, but it was—and continues to be—the answer he needs. Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness, as a root of much evil. Within the pages of this book, you ’ ll find a fascinating roadmap to staying emotionally healthy and spiritually alive in the chaos of the modern world. The New Unity Balboa Press Trance-Medium Philip Burley and hypnotist Dr. Dolores Proiette have created a masterpiece! Like Edgar

Cayce, a gifted medium enters a deep state of hypnosis to bring timeless truths from the other side. Would you like to know what Buddha, Jesus, and other great souls would say if they could speak today? Through the extraordinary spiritual channeling of Philip Burley, you can. Their uplifting messages will touch your heart, enlighten your mind, and better your understanding

of how to live in our increasingly complex world. The Ruthless Elimination of Hurry Hachette Books
NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In The Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why

habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, The Power of Habit contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work.

As Duhigg shows, “ You ’ ll never look women into his

cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has

been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. *The Power of Habit* Vintage A REFRESHINGLY SIMPLE GUIDE TO RECOVER

YOUR LIFE! In *Get Your Life Back*, New York Times bestselling author John Eldredge provides a practical, simple, and refreshing guide to taking your life back. By practicing a few wonderfully simple practices—or what John calls “graces”—you can begin to recover your soul, disentangle from the tragedies of this broken world, and discover the restorative power of beauty. Ask yourself: Are you happy most of the

time? Do you feel deeply loved? Are you excited about your future? How often do you feel lighthearted? After reading this book you will... Learn how to insert the One Minute Pause into your day Begin practicing “benevolent detachment” and truly let it all go Offer kindness toward yourself in the choices you make Drink in the simple beauty available to you every day Take realistic steps to unplug from technology overload These simple practices

and others are ready for the taking. You don't need to abandon your life to get it back. Begin restoring your life here and now. Your soul will thank you for it. Her Soul to Take 10 Great Souls I Want to Meet in Heaven The Warrior Heir There are five races of tiger on our planet and all but one live in tropical regions: the Siberian Tiger Panthera tigris altaica is the exception. Mysterious and

elusive, and with only 350 remaining in the wild, the Siberian tiger remains a complete enigma. One man has set out to change this. Sooyong Park has spent twenty years tracking and observing these elusive tigers. Each year he spends six months braving sub-zero temperatures, buried in grave-like underground bunkers, fearlessly immersing

himself in the lives of Siberian tigers. As he watches the brutal, day-to-day struggle to survive the harsh landscape, threatened by poachers and the disappearance of the pristine habitat, Park becomes emotionally and spiritually attached to these beautiful and deadly predators. No one has ever been this close: as he comes face-to-face with one tiger, Bloody Mary,

her fierce determination to protect her cubs nearly results in his own bloody demise. Poignant, poetic and fiercely compassionate, *The Great Soul* of Siberia is the incredible story of Park's unique obsession with these compelling creatures on the very brink of extinction, and his dangerous quest to seek them out to observe and

study them. Eloquently told in Park's distinctive voice, it is a personal account of one of the most extraordinary wildlife studies ever undertaken. [Ramayana: The Game of Life: Think Big to Win – Book 6](#) St. Martin's Essentials The sequel to *The Warrior Heir* by New York Times and USA Today bestselling author Cinda Williams Chima. Sixteen-year-old Seph

McCauley has spent the past three years getting kicked out of one exclusive private school after another. And it's not his attitude that's the problem: it's the trail of magical accidents—lately, disasters—that follow in his wake. Seph is a wizard, orphaned and untrained, and his powers are escalating out of control. After causing a tragic fire at an after-hours party, Seph is sent to the Havens, a secluded boys' school on the

coast of Maine. At first, it seems like the answer to his prayers. Gregory Leicester, the headmaster, promises to train Seph in magic and initiate him into his mysterious order of wizards. But Seph's enthusiasm dampens when he learns that training comes at a steep cost, and that Leicester plans to use his students' powers to serve his own wicked agenda. In this companion novel to *The Warrior Heir*, everyone's got a secret to

keep: Jason Haley, a fellow student who's been warned to keep away from Seph; the enchanter Linda Downey, who knew his parents; the rogue wizard Leander Hastings; and the warriors Jack Swift and Ellen Stephenson. The only question is: Does Seph have the strength to survive this wizard war? None Like Him Thomas Nelson "This stunning tale of betrayal, trickery, and

The Great Soul of Siberia
Little, Brown Books for Young Readers
Michael A. Singer, author

of The Untethered Soul, tells the extraordinary story of what happened when, after a deep spiritual awakening, he decided to let go of his personal preferences and simply let life call the shots. As Singer takes you on this great experiment and journey into life's perfection, the events that transpire will both challenge your deepest assumptions

about life and inspire you to look at your own life in a radically different way. Spirituality is meant to bring about harmony and peace. But the diversity of our philosophies, beliefs, concepts, and views about the soul often leads to confusion. To reconcile the noise that clouds spirituality, Michael Singer combines accounts of his own life journey to enlightenment -

from his years as a hippie-loner to his success as a computer engineer to his work in spiritual and humanitarian efforts - with lessons on how to put aside conflicting beliefs, let go of worries, and transform misdirected desires. Singer provides a road map to a new way of living not in the moment, but to exist in a state of perpetual happiness. Crowned

Masterpieces of Eloquence that Have Advanced Civilization
Penguin
A powerful new book of spiritual awakening from #1 New York Times bestselling author Mark Nepo In The Book of Soul, Mark Nepo, the bestselling author of The Book of Awakening, offers a powerful guide to inhabiting an authentic and wholehearted life. After we are physically born, we must

be spiritually born a second time, a process that takes place through the labor of a lifetime as we develop into more fully realized beings. The Book of Soul delves into the spiritual alchemy of that transformation in all its mystery, difficulty, and inevitability. The book is divided into four sections that mark the passages we all face: enduring our Walk in the World, until we

discover Our True Inheritance, which allows us to live in the open by Widening Our Circle, as we Help Each Other Stay Awake. The Book of Soul is a piercing guide, replete with beautiful truths and startling insight, that leads us deeply into the process of transformation. The Wizard Heir Canongate Books The final book of the Bible, Revelation

prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. The Surrender Experiment Grand Central Publishing A highly original, stirring book on Mahatma Gandhi that deepens our

sense of his achievements and disappointments—his success in seizing India's imagination and shaping its independence struggle as a mass movement, his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country's minorities, outcasts, and rural poor. Pulitzer Prize – winner Joseph Lelyveld shows in vivid, unmatched detail how Gandhi's sense of mission, social values, and philosophy of nonviolent resistance were

greatest living
medium, has
listened to
those on the
other side,

gaining a unique awareness of what those souls want his millions of believers to know, to understand, and to accept. Now Anderson shares this wisdom-and offers an incomparable perspective on the questions faced in day-to-day life. Great Soul Lampus Press Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and

killing is what I'm best at. Except her. The one I was supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name.

I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul. Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order.  Welch, Meacham
 brings vividly to
 life turning

points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s; the fight for women's rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led

by Senator Joseph McCarthy; and Lyndon Johnson's crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of

times. In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln's better angels have found a way to prevail. Praise for *The Soul of America* “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.” —Walter Isaacson “Gripping and
