Fuel Economy Guide W W Norton & Company Incorporated

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-

border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

January 6th was a day that will go down in infamy in American History. Insurrection Day lays out a graphic timeline of events that lead up to that day. Angry at what happened that day? Confused? Want to know more about how it happened, and how you can prevent it from happening again? Insurrection Day can help turn anger and confusion into action as it graphically shows the events leading up to that day, and describes actions that all of us can take to prevent it from happening again. Democracy is in danger, and it is up to each of us to defend it! As much of America did that day, the authors including their resources, watched, live, in horror January 6th as it unfolded. Angered by that day, and also afraid for democracy, they decided to turn fear into action. At the beginning of June 2021, they saw winter coming. This book is the result. This story behind January 6th is still very much publicly unfolding. This is the first chapter in the Insurrection Saga, the next chapter is up to all of us. To the Congressional Committee Carpe Diem!
