Trump's Unfinished Business offers a prophetic template to change the face of politics & save the nation from moral rot & Civil War. In one book, you will find new applications of God's commands that can be used to break up the Tech Giants' monopoly, create a Digital Bill of Rights, reform Family Law, protect children, enshrine true equality, educate our youth, and deal sensibly with Climate Change. "We need pastors and preachers to read this book "Trump's Unfinished Business" and apply the Law of God correctly, and preach it again to America & the world." ALLAN PARKER President of The Justice Foundation, Lead counsel for Norma McCorvey (the "Roe" of Roe v. Wade) & Sandra Cano ("Doe" of Doe v. Bolton) "The insights of this book will provide hope for the future of America & preserve its calling as a lighthouse to the nations during our turbulent times." DR. DENNIS LINSAY CEO of Christ for the Nations "Steve Cioccolanti has nailed it with 'Trump's Unfinished Business.'... [He] is walking into the swamp with this book & showing us how to drain it!" JULIE DIEZ Paralegal "The vision contained in Steve Cioccolanti's book Trump's Unfinished Business is far-sighted, wide-reaching & convicting...Cioccolanti is offering the Body of Christ the clearest path to employing the Biblical template to unite us as a nation & avoid civil war." LORILYN ROBERTS Award-winning Author "Let me say Cioccolanti's "Trump's Unfinished Business" is truly excellent. Each chapter adds new insights...His analysis of the law is truly impressive & I particularly appreciate his proposals to improve the legal system & the broken family law court. I will be gladly passing this book around to my friends & esteemed colleagues. I highly recommend it." DR. AUGUSTO ZIMMERMANN, PhD Head of Law, Sheridan College, Perth "In this book, Steve Cioccolanti exposes what has gone wrong, and he recommends solid ideas on how to set them right.... by going back to what is taught in the Bible." RICH MARSH Ex-Navy, Career Consultant "Cioccolanti's book is clearly visionary...For too long, the Bible has been sidelined in education due to an erroneous application of the principle of 'separation of church and state.'" DR. JOHN MCELROY Director of Southern Cross Association of Churches "Steve Cioccolanti has taken up a subject which I believe is a first... His writing is very thought-provoking, creative and visionary... I would imagine the laws in this book will be very

close to the ones Yeshua will set up for the world when He comes to reign... This much-needed book... has come at a time with the Republic of the United States is fighting for its life." SHIRA SORKO-RAM Pioneer of the Jewish Messianic movement in Israel since 1967 "Trump's Unfinished Business will serve as a template for all leaders whether they are in the US, Australia or Korea. I would like to see it made available to voters before major elections. I am really amazed by Steve Cioccolanti's insights into the American cultural war. His coverage of many subjects is very deep. I find the techniques that American leftists use to distort facts and the truth are also used here in South Korea...This book is a great opportunity to problem solvers to learn how God's principles work in human society." As the world around us changes and information comes at warp speed, it is more important than ever to be quantitatively literate. Yet most U.S. students leave high school with quantitative skills far below what they need and what employers are seeking, and virtually every college finds that many students need remedial mathematics. Based on the latest educational research, Math & YOU helps students develop the quantitative skills needed to be successful in school and the workplace, using real data, problems based on everyday situations, and activities built around topics that are recognizable and relevant. With this approach, students become comfortable with quantitative ideas and proficient in applying them. In addition, to support the printed text, Math & YOU provides an online eBook accompanied by additional teaching aids, all part of a robust companion Web site. Math & YOU Hallmarks Confidence with Mathematics. One of the goals of the Math & YOU program is to help students become comfortable with quantitative ideas and proficient in applying them. Students routinely quantify, interpret, and check information such as comparing the total compensation of two job offers, or comparing and analyzing a budget Cultural Appreciation. Math & YOU provides examples and exercises that help student to understand the nature of mathematics and its importance for comprehending issues in the public realm. Logical Thinking. The Math & YOU program develops habits of inquiry, prepares students to look for appropriate information, and exposes them to arguments so that they can analyze and reason to get at the real issues. Making Decisions. One of the main threads of the Math & YOU program is to help students develop the habit of using mathematics to make decisions in everyday life. One of the goals of the text is for students to see that mathematics is a powerful tool for living. Mathematics in Context. The Math & YOU program helps students to learn to use mathematical tools in specific settings where the context provides meaning. Number Sense. The Math & YOU program begins with a chapter that reviews the meaning of numbers, estimation and measuring. Throughout the rest of the program students develop intuition, confidence, and common sense for employing numbers. Practice Skills. Throughout the Math & YOU program students encounter quantitative problems that they are likely to encounter at home or work. This helps students become adept at using elementary mathematics in a wide variety of common situations.

First settled in 1643, Throggs Neck-Pelham Bay lies along the west bank

of Eastchester Bay in the Bronx. It was once an area of grand estates and farms and was home to some of the wealthiest people in America, including Collis P. Huntington and Catherine Lorillard Wolfe. Discover the history of the early residents of the community and its place in an ever-changing America in this unique and unprecedented pictorial collection. Throggs Neck-Pelham Bay offers a unique glimpse into the past, through carefully preserved images and a thoroughly researched text. Readers will delight in the memories of yesteryear and the images of a young and undaunted America. The images in this volume cover all of the communities included in the charter granted to John Throckmorton by the Dutch in 1642. Called Vriedlandt or "Land of Peace" by Dutch authorities, the area eventually fell prey to the burdens of war during the American Revolution. The images in Throggs Neck-Pelham Bay depict all aspects of life, from work to play. View the early modes of transportation used by the residents, the schools and churches they attended, the homes they lived in, and the activities they enjoyed.

For those times when hard work and persistence just aren't enough, Terri Sjodin offers an inspiring guide to getting scrappy and beating the odds. Terri Sjodin loves scrappy people -- those who beat the odds with a blend of cleverness and fighting spirit. People who see big problems and come up with big solutions. People like the clever Girl Scout who sold 117 boxes of cookies in two hours outside a medical marijuana dispensary, or the entrepreneur who turned his home into an indoor jungle to sell investors on the Rainforest Cafe Restaurant chain. It can seem like these successes are just one-off acts of ingenuity or isolated flashes of brilliance. But today it takes more than just creativity, more than just persistence, more than just a dream to reach big goals -- it takes a mindset and a strategy. Sjodin explains the common elements behind every successful scrappy effort.

Mini Down Under traces the history of one of New Zealand's - and the world's - best-loved cars. More versions of the Mini were available in New Zealand than anywhere else, and the launching of the iconic car in February 1960 was a larger-than-life event. In this lively and personal story, the author tracks the Mini's life in New Zealand, the connection between Kiwi racing driver Bruce McLaren and the birth of the Mini Cooper, the heady days of competition success in the Antipodes, the local assembly and marketing of the classic original car and the eventual development into the latest generation Mini for a new century.
