In this lively and personal story, the author tracks the Mini's life in New Zealand, the connection between Kiwi racing driver Bruce McLaren and the birth of the Mini Cooper, the heady days of competition success in the Antipodes, the local

assembly and marketing of the classic original car and the eventual development into the latest generation Mini for a new century.

Growing in the Christian faith, She knew She wanted to continue following Jesus; with that, the enemy knew the right tactics to make her believe she was doing that with a man named Bryce, that wasn't living up to the expectations she had. Encountering all the infidelities, lies and deceit she still refused to let go of the relationship which was causing her to become blinded to the reality of it. It took God to remove Bryce from her life entirely, in order for her to regain her worth and restore what she had lost within herself. God is so compassionate that He did not forget the desires of my heart even after. In the midst of getting over what happened between her and Bryce, He places someone she believed is not a good fit.
