The Mystery of a Hansom Cab is a mystery fiction novel by Australian writer Fergus Hume. The book takes place in Melbourne, Australia and involves an investigation into a homicide, after a corpse is discovered in the evening, in a hansom cab. Vintage Mystery and Detective Stories characterized the book as the best-selling detective novel of the nineteenth century.

National Union Catalog One World

Have yourself a crooked little Christmas with The Big Book of Christmas Mysteries. Edgar Award-winning editor Otto Penzler collects sixty of his all-time favorite holiday crime stories--many of which are difficult or nearly impossible to find anywhere else. From classic Victorian tales by Arthur Conan Doyle, Robert Louis Stevenson, and Thomas Hardy, to contemporary stories by Sara Paretsky and Ed McBain, this collection touches on all aspects of the holiday season, and all types of mysteries. They are suspenseful, funny, frightening, and poignant. Included are puzzles by Mary Higgins Clark, Isaac Asimov, and Ngaio Marsh; uncanny tales in the tradition of A Christmas Carol by Peter Lovesey and Max Allan Collins; O. Henry-like stories by Stanley Ellin and Joseph Shearing, stories by pulp icons John D. MacDonald and Damon Runyon; comic gems from Donald E. Westlake and John Mortimer; and many, many more. Almost any kind of mystery you're in the mood for--suspense, pure detection, humor, cozy, private eye, or police procedural--can be found in these pages. **FEATURING:** - Unscrupulous Santas - Crimes of Christmases Past and Present - Festive felonies - Deadly puddings - Misdemeanors under the mistletoe - Christmas cases for classic characters including Sherlock Holmes, Brother Cadfael, Miss Marple, Hercule Poirot, Ellery Queen, Rumpole of the Bailey, Inspector Morse, Inspector Ghote, A.J. Raffles, and Nero Wolfe.

Isaac Asimov (1920-1992) had a brilliant career as a scientist, teacher, and writer. Best known for his science fiction novels and stories, he also wrote poetry and nonfiction, and prepared guides to several important literary works. He left his personal library to Boston University and this book includes annotated entries from the holdings of the Asimov collection there. Included are entries for works by Asimov, as well as books by other authors that he considered important enough to keep in his private library.

The Work of William F. Nolan Millefleurs

Charmingly insidious and satisfyingly devious, these 100 baffling little mysteries--selected by such prominent authors as Isaac Asimov--are just the thing to suit your most malevolent mood. These tales come from the pen of many well-known writers in the field, including Michael Gilbert, Edward Wellen, Edward D. Hack, Bill Bronzini, Lawrence Treat, and Francis Nevins, Jr. Whether it's "The Unfriendly Neighbor," or "A Class Reunion," "A Recipe for Revenge," or "An Exercise in Insurance," these stories are sure to keep you up all night, puzzling over their possible solutions. Each one has its own particular and irresistible appeal: an unexpected twist, a delectable puzzle, a devastating revelation, or perhaps even a refreshing display of pernicious spit

100 Malicious Little Mysteries Grove Press

Provides information on the most influential English-language writers of the crime and mystery genre. Each entry includes author biographies; complete bibliographies; lists of critical studies; locations of manuscripts; the writer's own comments on his or her work, when available; and an essay written by an expert of the genre.

Subject Catalog Cambridge University Press

Apprenticed to the infamous Necromancer of Boston while on the brink of death, Daniel Macavoy has seen a lot of upheaval in his life since that fateful day. Rescued from an abusive father and the monster he was once enslaved by, Daniel has struggled with the traumas that scarred his heart and mind. Yet with the love and support of his found family, Daniel has become stronger than he ever imagined. A capable sorcerer, he's been entrusted with the ancestral home of the Salvatores, the legendary site of the Massacre that brought an end to the centuries-long Blood Wars between the Salvatores and the Macavoyes. The huge Mansion is a testament to old-school magic, high sorcery, and comes with a history almost as impressive as the enigmatic fae warrior who calls the gardens home. A member of the nearly extinct High Court Sidhe, Rory remembers when humans climbed down from trees and learned to stand upright. After eons spent hand in hand with his twin, Cian, Rory was struck down by a near-fatal sword blow; he slept for centuries only to be resurrected by the Necromancer of Boston. Once awakened, Rory lost his twin to a mortal prison, sentenced for heinous crimes committed in an effort to save Rory while he slept. Once worshipped as a god, Rory Brennan is learning what it means to exist in a modern mortal world. Rory finds that for the very first time, true love has found its way into his immortal heart. Daniel and Rory grow closer, love springing to life in the narrowing space between them. But their nascent bond is threatened by strangers attempting to break into the Mansion, and by the ever-growing danger to Rory's twin Cian, locked in the depths of Blackguard Prison. With the danger increasing from all sides, Daniel and Rory struggle to balance surviving with falling in love. A dragon with a growth spurt isn't helping matters, and his

mentor's watchful eye makes things both more awkward and potentially lethal. LOVE SPRINGS ETERNAL is the fifth book in the bestselling Beacon Hill Sorcerer series and should not be read as a standalone.

St. James Guide to Science Fiction Writers BEYOND BOOKS HUB

Brilliantly witty mystery from the author of Bad Mother and Love and Treasure... Teeter-tottering on the brink of sanity, Juliet Applebaum not only solves crimes; she does it with diapers, bottles, and...oh yes, three kids in tow. This time she'll play hide-and-seek with some of South Central's seediest denizens. But this is no child's play... Their fledgling detective agency has spread its wings—and now husband-and-wife team Juliet Applebaum and Al Hockey, once in the hole, are finally flying high. A Hollywood lawyer uses them regularly to clean up after some of his less-than-discreet celeb clients. They see people come through the doors of their garage-turned-office, seeking defense investigation. They also see insurance investigation cases. But Juliet and Al are about to find out: they ain't seen nothin' yet... Heavenly has come to Juliet with a story too sad for any detective with a conscience to turn down. Her sister, an addict and streetwalker, has turned up dead—and the police couldn't care less. With any luck—and with plucky Juliet doing all she can—Heavenly will learn what she can about her sister's death and, if possible, bring the killer to justice. But it's hard going undercover when you're a tall, gorgeous transsexual... Ayelet Waldman, a Harvard Law School graduate and former public defender, is the author of Love and Other Impossible Pursuits, Daughter's Keeper, and Red Hook Road as well as the Mommy-Track Mysteries, including such titles as Death Gets a Time-Out and A Playdate with Death.

Science Fiction Writers of the Golden Age Little, Brown Books for Young Readers

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong'o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten.” —Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

The Big Book of Christmas Mysteries Penguin

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, Midnight Sun. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In Midnight Sun, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best

practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.
