Do people see you as the kind of leader you want to be? Are your strongest leadership qualities getting in the way of your greatness? After decades of advising and inspiring some of the most eminent chief executives in the world, Lolly Daskal has uncovered a startling pattern: within each leader are powerful abilities that are also hidden impediments to greatness. She ’ s witnessed many highly driven, overachieving leaders rise to prominence fueled by well-honed skill sets, only to falter when the shadow sides of the same skills emerge. Now Daskal reveals her proven system, which leaders at any level can apply to dramatically improve their results. It begins with identifying your distinctive leadership archetype and recognizing its shadow: The Rebel, driven by confidence, becomes the Imposter, plagued by self-doubt. The Explorer, fueled by intuition, becomes the Exploiter, master of manipulation. The Truth Teller, who embraces candor, becomes the Deceiver, who creates suspicion. The Hero, embodying courage, becomes the Bystander, an outright coward. The Inventor, brimming with integrity, becomes the Destroyer, who is morally corrupt. The Navigator, trusts and is trusted, becomes the Fixer, endlessly arrogant. The Knight, for whom loyalty is everything, becomes the Mercenary, who is perpetually self-serving. Using psychology, philosophy, and her own experience, Daskal offers a breakthrough perspective on leadership. She ’ ll take you inside some of the most cloistered boardrooms, let you in on deeply personal conversations with industry leaders, and introduce you to luminaries who ’ ve changed the world. Her insights will help you rethink everything you know to become the leader you truly want to be.

Thoughts on the Business of Life Triumph Books (IL)

Kevin Kruse knows two things about leadership that most people do not believe: First, leadership is a superpower. Second, almost everything we ’ ve been taught about leadership is wrong. In Great Leaders Have No Rules, New York Times bestselling author and highly successful entrepreneur Kevin Kruse debunks popular wisdom with ten contrarian principles for better, faster, easier leadership. Grounded in solid research and three decades of entrepreneurial experience, this book has one purpose: to teach you how to be both the boss everyone wants to work for and the high achiever every CEO wants to hire—all without drama, stress, or endless hours in the office Inspired by Kruse's viral article "Why Successful Leaders Don't Have an Open Door Policy," this contrarian approach to leadership reveals why you should throw out the rulebook and instead play favorites, crowd your calendar, tell employees everything (even salaries), stay out of meetings, hide your phone, and more. Kruse makes the case for these principles with engaging real-world stories and case studies, and shows how to use this wisdom to buck the trend and become more effective. He also shares applications beyond the office—at home, in sales, in sports, and more. Ultimately, his advice empowers you to focus on what matters, which is the key to success for you, your employees, and your company.
