One thousand origami cranes - Wikipedia  
Origami cranes get easier to fold with practice, but making 1,000

paper cranes is still a huge undertaking. For this reason, it is common for groups of people to join together to make a senbazuru. Hirahara writes lyrically of folding (at one stage the paper "resembles a gold kite waiting to be released in the wind"), and as Angela learns that her father has moved out, origami convincingly becomes a "medicine."
