book that will make the words stick long-term. "To have another language is to possess a second soul." ?Charlemagne Possibly the most feared challenge to learning Spanish is the challenge of memory; there are just too many words and too many rules to remember. For every new word we learn, we seem to forget two old ones, and as a result, fluency can seem out of reach. That is exactly why 'Learn Spanish In Your Car' was written. According to Professor Elfrieda H. Hieber from the University of California, Berkeley, The 100 most frequent words account for about 50% of the words in a typical text and the 1000 most frequent words for about 70%. Therefore it is evident that the first 1000 words of learning a language can provide you with an immense boost on your

journey to master the language. In 'Learn Spanish In Your Car' you'll discover: The 7 most common contexts to INSTANTLY kickstart your learning process (even if you barely know a word at the moment!) The latest scientific research about language learning combined with a practical guide you will not find on your average online learning website The single best way to increase your reading and listening comprehension, and enable you to communicate with little or no grammar Funny and entertaining phrases that won't give you the feeling of learning a new language How this guide can dramatically improve your skills while entertaining you at the same time (It doesn't feel like work, but the results will amaze you) How a simple grouping of thematic vocabulary lists

can take tremendous fear from getting started and make everything suddenly seem 10x easier The absolute basic 3 areas of phrases you HAVE to know to communicate in Spanish as quickly as possible (You might be missing out tremendously if you don't know these!) ...and much, much more!
