With a range of readings from short visual arguments to longer, more complex pieces, the Reader gives students a wealth of sources, models, and inspiration for their own compositions. Now available with Launchpad for The Bedford Book of Genres, the second edition offers a compelling digital option with a complete, interactive, assignable e-book.

Boringville is a quiet, peaceful town in the woods of central Pennsylvania. It has a small but thriving artistic community scattered in small shops around the town. It's interesting to look at the quaint architecture and the partly rebuilt fort from the French and Indian War. Despite the rumors, the fort probably isn't haunted. There is a large, courteous police force to make sure everyone is safe. The hospital, while small, is state-of-the-art. There are nice places to eat. The hunting and fishing near the town are excellent. The cemetery, while small for a place the size of Boringville, is a bit unusual and picturesque. A bright, cheery town inhabited by friendly people, Boringville is a relaxing place to spend the day. You might not want to spend the night.
