Harley-Davidson Motorbooks International

In 2003 Harley-Davidson celebrates its 100th birthday, confirming the staying power of the Milwaukee company founded by Arthur and Walter Davidson and Bill Harley. This title presents the bikes, the riders and their lifestyles and the landscape to which they are linked.

Harley-Davidson Motorbooks

Many people modify their Harley-Davidson engines--and find the results disappointing. What they might not know--and what this book teaches--is that emphasizing horsepower over torque, the usual approach, makes for a difficult ride. Author Bill Rook has spent decades perfecting the art of building torque-monster V-twin Harley engines. Here he brings that experience to bear, guiding motorcycle enthusiasts through the modifications that make a bike not just fast but comfortable to ride. With clear, step-by-step instructions, his book shows readers how to get high performance out of their Harleys--and enjoy them, too.

Harley-Davidson Electra Glide Malcolm Birkitt. Once again Birkitt provides an amazing variety of images from across the US and Europe, including police machines and some of the finest examples of Harley-Davidson customs to be found anywhere. Sftbd., 8 1/4"x 9", 126 pgs., 14 b&w ill., 11 color.

Harley-Davidson FLS/FXS/FXC Softail Series 2011-2016 Crestline

Perhaps the greatest appeal of the motorcycles that Harley-Davidson manufactures is that they are not throwaway machines. With proper care and maintenance, a modern Harley can outlive its owner. Most of the Harley-Davidson motorcycles built over the past 25 years are still on the road, which means there are many, many used Harleys bought and sold every day. This book provides a practical guide to purchasing the most common Harleys on the used-bike market: the aluminum-engine machines built since 1984, the Evolutions (Sportsters and Big Twins), Twin Cams, and liquid-cooled Revolution bikes (the V-Rod models). These are the bikes being bought and sold, and these are the motorcycles most widely used as daily riders. Harley-Davidson Buyer 's Guide provides everything a reader needs to know to purchase a sound, reliable, enjoyable Harley-Davidson Big Twin motorcycle.
