Thriller - 2012 Global eBook Awards Finalist - Best eBook Cover - 2012 Global eBook Awards REVIEWS "Urban's debut novel [is] fast-paced real and intense A coming-of-age story and thrilling adventure rolled into one." -- Kirkus Reviews "Drake's Coffin is a highly well-written ... adventure story that is packed with violence and high-paced action.... [t]his is one thrilling, readable story that readers will love. The plot proceeds with twists and turns, often unexpected, to the story's end. The characters ... are well-drawn and totally believable Drake's Coffin is a must read, to say the least!" -- Readers Favorite DESCRIPTION Drake's Coffin is the rousing adventure tale of a search for lost treasure in the jungle of

history, exotic locales, fascinating characters, and rapid-fire action that will keep readers tapping screens or next page buttons for hours on end. Four hundred years ago the English adventurer Sir Francis Drake stole it from the Spanish and buried it in the jungles of Panama. Thirty years ago an unsuspecting group of teenage boys stumbled upon it in a night of violent death that would change their lives forever. Now, they've come back for Drake's legendary lost treasure, in a race against time, old enemies and modern foes. Led by federal prosecutor Zach Colt, six diverse and colorful old friends join forces and return to present-day Panama to recover their spoils. A psychopathic cop. Ruthless pirates, old and new. A

daring ex-Navy beauty.
Deadly predators. Darien
Indians. Intrepid SCUBA
divers. A feisty Portuguese
Water Dog. A contest to the
death in the Panama Canal.
These and more are
encountered by the men in
pursuit of their fortune.
Some find self-knowledge,
honor and redemption.
Others face betrayal,
heartbreak and death. Above
all, Drake's Coffin is a
unique story of friendship
and self-discovery.

Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation) Many 2011-12 automobiles have "chin-to-chest head

Alliance had a long and distinguished career of more than 28 years that took her all over the world. Today, Alliance is the centrepiece at the Royal Navy Submarine Museum, Gosport, where the submarine experience is brought to life by tours around the boat. Former submariner and historian Peter Goodwin gives Alliance the Haynes Manual treatment, examining

in detail her construction and restoration, and describing what it was like to live, work and go to war in a submarine. Yamaha YZF-R1 1998-2003 Michael D. Urban Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant

repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

America, Incorporated
In 1973, an old American Indian woman dies with nothing left of her tribe but a trailer and a two-hundred-acre reservation in the sleepy backyard of Ledyard, Connecticut. It seems to signal the end of the Mashantucket Pequot tribe. But it is just the beginning. Over the course of the next three decades, the reservation grows to more

than two thousand acres and becomes home to Foxwoods, the largest casino in the world, grossing more than \$1 billion per year. The Pequots are reborn, immensely wealthy, and in possession of an enormous amount of political influence. How did it happen? In compelling detail, Without Reservation tells the stunning story of the rise of the richest tribe in American history. It begins with the grand ambitions of two men. One, an unemployed navy brat and outsider, is a failed preacher with the uncanny ability to charm; the other is fresh out of law school and armed with a brilliant legal theory to help impoverished Indian tribes. Together they resurrect the Pequots and battle the local townspeople to aggressively expand their reservation, taking on the state government for the right to gamble on their land. Embracing their cause are misguided and

misinformed government officials and a former mob prosecutor who brings Malaysian financiers to the table. The Pequots must also contend with the price of power. Without Reservation reveals the mysterious roots of today's Pequot tribe, the racial tension that divides them, and the Machiavellian internal Power struggle over who will control the tribe's purse strings. This is a story of the duality of the American dream, the good and the bad that come with enormous wealth. Author Jeff Benedict shines a light on the dreamers and the deal makers, the backroom politicking and courtroom machinations, the trusts and betrayals, and the world of high-powered attorneys, politicians, tribal leaders, and financiers who made the Pequots what they are today. As compelling as a novel, Without Reservation is must reading for anyone interested in the way today's

world really works.
