The Silver Star-awarded marine chronicles his service in Iraq in this "transcendent memoir of military service and its

personal consequences" (Ralph Peters, Lt. Col., ret., author of *Looking For Trouble*). In April, 2003, an AP photographer captured a striking image seen around the world of Gunny Sergeant Nick Popaditch smoking a victory cigar in his tank, the haunting statue of Saddam Hussein hovering in the background. Though immortalized in that moment as "The Cigar Marine," Popaditch's fighting was far from over. The following year, he fought heroically in the battle for Fallujah and suffered grievous head wounds that left him legally blind and partially deaf. But he faced the toughest fight of his life when he returned home: the battle to remain the man and Marine he was. At first, Nick fights to get back to where he was in Iraq-in the cupola of an M1A1 main battle tank, leading Marines in combat. As the seriousness and permanence of his disabilities become more evident, Nick fights to remain in the Corps in any capacity and help his brothers in arms. Then, following a medical retirement, he battles for rightful recognition and compensation for his disabilities. Throughout his harrowing ordeal, Nick fights to maintain his honor and loyalty, waging all these battles the same way—the Marine way—because anything less would be a betrayal of all he holds dear.

In the late 1970s and early '80s, a cadre of freewheeling, Southern pot smugglers lived at the crossroads of Miami Vice and a Jimmy Buffett song. These irrepressible adventurers unloaded nearly a billion dollars worth of marijuana and hashish through the eastern seaboard's marshes. Then came their undoing: Operation Jackpot, one of the largest drug investigations ever and an opening volley in Ronald Reagan's War on Drugs. In *Jackpot*, author Jason Ryan takes us back to the heady days before drug smuggling was synonymous with deadly gunplay. During this golden age of marijuana trafficking, the country's most prominent kingpins were a group of wayward and fun-loving Southern gentlemen who forsook college educations to sail drug-laden luxury sailboats across the Mediterranean, the Atlantic, and the Caribbean. Les Riley, Barry Foy, and their comrades eschewed violence as much as they

loved pleasure, and it was greed, lust, and disaster at sea that ultimately caught up with them, along with the law. In a cat-and-mouse game played out in exotic locations across the globe, the smugglers sailed through hurricanes, broke out of jail and survived encounters with armed militants in Colombia, Grenada and Lebanon. Based on years of research and interviews with imprisoned and recently released smugglers and the law enforcement agents who tracked them down, *Jackpot* is sure to become a classic story from America's controversial Drug Wars. "The adventures, the long-gone economy, and the sting that ultimately brought them down and changed US drug policy are meticulously documented and lucidly spun.... Part New Yorker feature-part Jimmy Buffet song. . . . The result is adventuresome, lavish, informative fun." —GQ "[A] rollicking story, Ryan manages to pack in one amusing tale after another.... *Jackpot* is a rip-roaring good read." —Charleston City Paper "High times on the high seas: Investigative reporter Ryan recounts the glory days of dope smuggling and their terrible denouement.... A well-told tale of true crime that provides a few good arguments for why it should not be a crime at all." —Kirkus Reviews "Reads like an international thriller. . . . chock-a-block with hilarious and hair-raising anecdotes of fast times." —New York Journal of Books "[A] thoroughly researched account of Operation *Jackpot*, the drug investigation that ended the reign of South Carolina's 'gentlemen smugglers,'.... Ryan recreates the era with a vivid, sun-drenched intensity." —Publishers Weekly

Step back in time with this memoir as a Rhode Island woman chronicles her childhood spent on a small island in Narragansett Bay in the 1950s. A memoir of reconnecting to long-forgotten childhood bonds and memories, Debbie Kaiman Tillinghast's *The Ferry Home* embraces joyful moments with humor and more troubling emotions with compassion. If you have ever faced emotional challenges within your family or had a sibling relationship with both squabbles and shared mischief, if you have found peace in one memorable place, or if you have ever longed for any of these, then this book is for you. Experience the rhythm of life on Prudence Island, the ebb and flow of changing tides and seasons, and the patterns and relationships that emerge. It is a place where independence is fostered, but friends are always there when needed. As Debbie's vivid accounts unfold, you will feel like you too have just stepped off the ferry and been embraced by the tiny Prudence Island community.

Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation) Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway) Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers) GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade ago) You can save \$2,000 by cutting freight fees and "administrative" charges) Diesel annual

Has it ever dawned on you the power of your existence? That you, yes you were specially created. There is not another soul that crosses this earth like you. You are not a duplicate or will ever be, that very sentiment in itself is as powerful as can be. But why have you no recognition of who you are, the rareness you bring to the world, or the greatness you hold? Fear of life, fear of self, fear of the unknown and fear of other-Has blinded you from your own light. You and I are to blame, for we are our greatest setbacks. Why fear anything other than the creator? The giver of life, the one truly in control. Why fear things that are ultimately doomed to an ending? "Conquering fears" has a message for every reader and that message is to overcome fear and doubt and trust in the creator.

Back For More!

From *Under the Wheel* is an introspective look at loss and devastation and helps find a way to reach far beyond the events in our lives that leave scars. It challenges the Why Me? in all of us and exposes the path our choices ultimately create. It encourages a way to move past losses and difficulties by assigning a meaning to individual experiences. And finally, it helps excavate the true intent of your inner self to give purpose to living every day. Lynn Gawronski's view From *Under the Wheel* is both reality and metaphorical. The picture of the wheel of the single axel flat bed trailer sitting on her chest as it ran her over is forever imprinted in her memory. But even a miraculous recovery wouldn't stop trauma from happening again. Two years later, she was a passenger in a car hit broadside by another and was left partially paralyzed with facial injuries and emotional scars. The next twenty years would prove to challenge every bit of her faith with more tragedy and loss and at times, just life; each time stimulating another

wheel and presenting another effort for recovery and healing whether physical or emotional. The end result is the emergence of a life with purpose and renewed spirit, but the book doesn't stop there. She also provides a planning tool and the steps that she is using to help her carry out her purpose in life so that the reader may do the same. With each new challenge and successful outcome, Lynn Gawronski considers herself out From Under the Wheel.
