Few cars in modern times have caused as much of a stir as the turbocharged Subaru Impreza. It came from nowhere at the start of the 1990s to claim three successive World Rally Championships for its makers in the middle of that decade, and went on to become an enthusiasts' car thanks to its affordability, high performance - and, of course, the glorious exhaust note of its unusual flat-four 'boxer' engine. This book examines the three generations of Subaru Impreza WRX and WRX STI from 1992 - 2012, including how the roadgoing cars were developed from the successful rally models, production history and specification details. Topics covered include: History of the Impreza, and early days in competition with the Leone and the Legacy models. Construction and derivatives of the distinctive flat-four engine. Innovations in the Impreza's four-wheel-drive system. Design and specifications for special editions. Includes material from Prodrive on their limited edition models. Examines both rally and roadgoing cars.

"Walter Jon Williams is always fun, but this may be his best yet, a delight from start to finish, witty, colorful, exciting and amusing by turns, exquisitely written." -George R. R. Martin
From New York Times bestselling and award-winning author Walter Jon Williams comes an adventurous epic fantasy about a man who is forced to leave his comfortable life and find his fortune among goddesses, pirates, war, and dragons. Rogue. Joker. Lover.

Reluctant soldier. Quillifer is a young man, serially in love and studying law, when a family tragedy throws him into the world to seek his fortune. A charmer rather than a fighter, he soon finds himself embroiled with a bandit gang, caught up in vicious court intrigues, and the plaything of an angry, beautiful, and very jealous goddess. While he struggles to establish himself in the capital, the country finds itself pitched into a civil war, and Quillifer, a unwilling soldier at best, finds himself caught up in the action, and able to tip the scales of fortune. Quillifer, with its engaging hero and his exploits with lovers, brawlers, warriors, and privateers, is a book that bursts with life. It's the first volume in a new epic fantasy by bestselling and award-winning author Walter Jon Williams.
